 Course Spooky Brook - Blues (69.7 /121)
 Weather Cloudy Near 50

Mike rides a red hot back nine - even par gross to a one shot win over Bruce and Dennis. There was a lot of discussion after the round about declaring a ball lost and playing a ball out of hazard since Mansour took a 16 on 17. The other discussion centered on course conditions in the fairways and bunkers because any ball hit in the fairway had mud on it. It was also challenging to find a place to roll a ball over in the bunkers with all the deer prints and no rakes - All the guys that play regularly on Saturdays (basically everyone playing today) agreed that going forward for the balance of the winter season that we will adapt similar rules to the Caliendo Winter League. We will play lift clean and place in your own fairway and also in bunkers. You can still roll the ball over in the rough. This should make the conditions fair for everyone.
