

Ashtead All Stars 2022-2023 Update No.11, Sunday 12th March 2023

Dear all,

WINNERS !!! Best U15 team in Surrey !!!

Today the U15A team played their last league match of the season. They are unbeaten all season, and therefore top of the A Division. This is a HUGE achievement, which the club has only achieved twice in its history - so congratulations to all the girls in this team, and a huge well done to Alia who has coached them this year. Medals will be awarded in due course, and we will take photos of the winning team when we have them.

I have had a great day today. I had the privilege of watching the U15A in this winning match, and then later on I watched the U14A playing against SNTA A. SNTA are notoriously hard to beat, and the U14A were matching them goal for goal at ¾ time. We sadly lost the match in the end, but I couldn't have been more proud of how this team played. They were exceptional and it was lovely to see how they have improved. It's not always about the winning, this was a treat to watch.

It turns out that all the coaches were lauding their own teams today, not because of the results, but due to their effort, teamwork and sportsmanship which never fails to impress. Despite a fair few losses in the results table below, most of the games were competitive, with the girls improving and learning from each experience, and most importantly lots of happy girls 😊

Surrey Junior Netball League - 12th March 2023

As always, many of our girls have played twice, or played up for other teams, so I am not going to mention them all one by one. However, I can't help but mention Amie C whose commitment is outstanding. U12 Amie C subbed for the As, subbed for the Bs, played in the Cs, and then helped out the Es who were a player short. Well done Amie.

AAS team	Opposition	Result	Score	Star Players
AAS U10B	Fetcham A	LOST	12 - 13	Isabella and Madeleine
AAS U10C	Wandsworth Green	LOST	5 - 19	Eleora and Holly
