

Steady as a Post

*“...I hold on to you for dear life, and you hold me **steady as a post!**”*
”Psalm 63: 7(MSG)

“Steady as a post” really hit home when I read it. It reminded me of when we put a fence up in our back yard and how important the posts were.

I started thinking about this passage, what does “Steady as a Post” mean to me. I can say with confidence, my daily goal is to be completely submerged in the completed work of Jesus. However, at times my mind has other ideas.

Honestly, there are times it’s all I can do to keep from being swallowed up by my negative or contradictory thoughts. To remain “Steady as a Post,” is especially challenging during these times.

I fully understand that walking in the truth is easier said than done. If your roots are deeply buried in Him, you have the ability to rise up above as you maintain position in Christ. Truth is the cement that holds the Post (you) in place and gives you the ability to stand.

“Steady as a post” means trusting that God is dependable, reliable, trustworthy, and safe. It also means, staying faithful to God as you trust in His plan for you though all circumstances.

God’s love is unlimited and Jesus won every spirit battle you will ever face. He paved the way for you and I, to succeed. So as the days progress, let’s remain Steady as a Post, knowing we are secure in Him.
