#### **Biography**

Ilene Fern Young, 94, of Elkton, passed away Saturday, July 4, 2020 at Courtney Manor in Bad Axe. Ilene was born November 1, 1925 in Lake Twp to the late Russel and Ella Rose (Smith) Grigg. She married Kenneth Young September 20, 1946 in Elkton; he preceded her in death July 1, 2007. She retired from Active Industries after 24 years employment. She was a member of the Elkton United Methodist Church, Century Oaks Golf Course (where she got a hole in one), and she was active in fund-raising for cystic fibrosis research. She enjoyed golfing, sewing, crocheting, antiques, playing BINGO, giving away her cooking and baking, and spending time with her family. She danced the jitterbug with her brother Carl, having taught him as a child and continued throughout life. The highlight of her summer was the Grigg family reunion.
