

LISTEN TO CHILDREN

We request that teachers complete a pre-survey prior to the child-Listener meetings. After 10 or more meetings, teachers complete a post-survey.

The five items in this section include the following:

1. Completes Seatwork
2. Completes Homework
3. Follows Directions
4. Shows Interest in Subject Matter
5. Shows Effort as Reflected in Grades

Of the 224 teachers who completed pre-posts for students, 72% showed gains in at least one area. In addition, many teachers wrote comments reinforcing the idea that the Listener had a positive impact on the student.
