| Target used: BT5-OC PD Q/T size 17.5"x23" Score target: Possible 25 hits total. Minimum passing score: 19 | | | | |

Target Scoring: This class **Practice Course of Fire** is fired on target BT5-OC PD Q/T, size 17.5 x 23. Targets are available through link: <https://shop.actiontarget.com/content/bt5-ocpd-oakland-ca-pd-modified-bt-5-qualification-target.asp> The scoring area is designated by the following point areas on the BT5-OC PD Q/T target 8, 9, and 10 point zones. Hits in these scoring areas of the target count as 1 point each. Hits breaking the scoring line count as a hit. The actual bullet hole must break the scoring line. Any other hits are not counted. Unfired rounds & rounds fired after the allotted time for the shot string will be counted as a miss.

Performance Requirements:

- **Starting Position** – shooter starts sequence from the low ready gun position.
- **The shooter will fire the indicated number of rounds need for the shot string needed**
- **The Shooter will return to the low ready position once the shot string is completed.**
- **In between shot strings the shooter will maintain the low ready position until instructed further.**
- **The shooter is responsible for reloading their firearm & clearing malfunctions during the sequence if necessary.**
- **Unfired shots and/or alibi shots not allowed.**
- **Only shoot designated number of rounds per sequence with in the allotted time.**
- **It is recommended all concealed carry permit holders fire an approved COF & Qualify Annually.**

Verbal Challenge:

GET OUT – THE POLICE ARE ON THEIR WAY – I HAVE A GUN – I WILL SHOOT IF YOU COME IN!

Equipment Required: 25 rounds, Eye/Ear Protection, Baseball Cap, Handgun, and Time Standards will be controlled by a shot timer or other timer system.

PRACTICE COURSE OF FIRE APPROVED: 09-27-2017
