The International Association
Legions of Honor

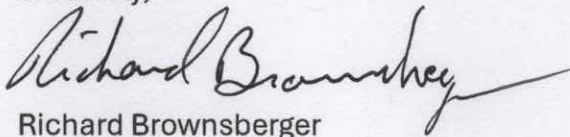

It is my distinct honor to recommend Nickolas Roth for the position of Lieutenant Commander with the International Association Legion of Honor.

Mr. Roth has served with dedication and distinction at Abou Ben Adhem Shrine, including his leadership as Commander of the Legion of Honor. He also served faithfully as a Trustee from 2017–2019 and as Rajah of both the Pulaski County and Laclede County Shrine Clubs. In each role, he has demonstrated integrity, commitment, and a deep respect for the mission and traditions of our organization.

In addition to his Shrine service, Mr. Roth devoted 34 years to the United States Army, retiring with honor as an E8 Master Sergeant. His military career reflects the leadership, discipline, and character he continues to bring to our fraternity.

Without reservation, I strongly and confidently recommend Nickolas Roth for the position of Lieutenant Commander within this esteemed association.

Sincerely,

A handwritten signature in black ink that reads "Richard Brownsberger". The signature is written in a cursive style with a long horizontal flourish extending to the right.
