

Capability Statement

SecPro, LLC is an IT Consulting firm specializing in business management, information technology, and staff augmentation. Our company was founded in 2010 by Maria Campos, and works in the private and public sectors. SecPro can effectively identify and clarify both, the needed changes and the opportunities, associated with all aspects of the business operations process, data application and infrastructure. We are driven by our passion to provide businesses with value-added IT solutions to help them achieve their goals.
