FEBRUARY 2015

Commander's Message

I would like to start off by saying LeBron Post 58 is right now at 94% in membership. We will, this year have 100% for the first time since 1999. Also we attended the Mid-Winter conference January 10th and our new Department leaders have hit the floor running. The Department once again is heading in the right direction thanks to our new Commander Tim Smith and his officers. Fred Speir has had his membership revoked and will not be allowed to be a member of the American Legion again. David Kellerman will also be banned from the American Legion due to the crimes committed against the Department of Oklahoma American Legion. We also had an Executive meeting and we will be soon starting bingo once a week soon. This should bring a \$3000 a month income each month to assist the post in expenses. Any questions can be directed to my email or call the office. This month we will look at the Gulf war being the war ended in February.

The Gulf War (2 August 1990 – 28 February 1991), codenamed Operation Desert Shield (2 August 1990 – 17 January 1991), for operations leading to the buildup of troops and defense of Saudi Arabia and Operation Desert Storm (17 January 1991 – 28 February 1991) in its combat phase, was a war waged by coalition forces from 34 nations led by the United States against Iraq in response to Iraq's invasion and annexation of Kuwait.

The war is also known under other names, such as the Persian Gulf War, First Gulf War, Gulf War I, Kuwait War, First Iraq War, or Iraq War before the term "Iraq War" became identified instead with the 2003 Iraq War (also referred to in the U.S. as "Operation Iraqi Freedom"). The Iraqi Army's occupation of Kuwait that began 2 August 1990 was met with international condemnation, and brought immediate economic sanctions against Iraq by members of the U.N. Security Council. U.S. President George H. W. Bush deployed U.S. forces into Saudi Arabia, and urged other countries to send their own forces to the scene.

An array of nations joined the Coalition, the largest military alliance since World War II. The great majority of the Coalition's military forces were from the U.S., with Saudi Arabia, the United Kingdom and Egypt as leading contributors, in that order. Saudi Arabia paid around US\$36 billion of the US\$60 billion cost. The war was marked by the introduction of live news broadcasts from the front lines of the battle, principally by the U.S. network CNN.

The war has also earned the nickname Video Game War after the daily broadcast of images from cameras on board U.S. bombers during Operation Desert Storm.

The initial conflict to expel Iraqi troops from Kuwait began with an aerial and naval bombardment on 17 January 1991, continuing for five weeks. This was followed by a ground assault on 24 February. This was a decisive victory for the Coalition forces, who liberated Kuwait and advanced into Iraqi territory.

The Coalition ceased its advance, and declared a cease-fire 100 hours after the ground campaign started. Aerial and ground combat was confined to Iraq, Kuwait, and areas on Saudi Arabia's border.

Iraq launched Scud missiles against Coalition military targets in Saudi Arabia and against Israel.

The Iraq–Kuwait dispute also involved Iraqi claims to Kuwait as Iraqi territory. Kuwait had been a part of the Ottoman Empire's province of Basra, something that Iraq claimed made it rightful Iraq territory. Its ruling dynasty, the al-Sabah family, had concluded a protectorate agreement in 1899 that assigned responsibility for its foreign affairs to the United Kingdom. The UK drew the border between the two countries in 1922, making Iraq virtually landlocked. Kuwait rejected Iraqi attempts to secure further provisions in the region. Iraq also accused Kuwait of exceeding its OPEC quotas for oil production. In order for the cartel to maintain its desired price of \$18 a barrel, discipline was required. The United Arab Emirates and Kuwait were consistently overproducing; the latter at least in part to repair losses caused by Iranian attacks in the Iran–Iraq War and to pay for the losses of an economic scandal. The result was a slump in the oil price – as low as \$10 a barrel – with a resulting loss of \$7 billion a year to Iraq, equal to its 1989 balance of payments deficit. Resulting revenues struggled to support the government's basic costs, let alone repair Iraq's damaged infrastructure. Jordan and Iraq both looked for more discipline, with little success. The Iraqi government described it as a form of economic warfare, which it claimed was aggravated by Kuwait slant-drilling across the border into Iraq's Rumaila oil field. At the same time, Saddam looked for closer ties with those Arab states that had supported Iraq in the war. This was supported by the U.S., who believed that Iraqi ties with pro-Western Gulf states would help bring and maintain Iraq inside the U.S.' sphere of influence.

1st Vice Commander's Message

I would like to state that we are starting our preparations for boy state and girl's state without our head man, Bill Wagoner. Therefore, Greg Rupert and I are taking over this task. We will need everyone's help because Bill always did an outstanding job. He will be greatly missed! Contributions to boys and girls are now being accepted. If you would like to contribute please call 405-640-1220. Guthrie businesses have supported us so greatly in the past. Hope to be contacting our supporters soon in order to make this year successful. In regard to our Honor Park, Steve Gentling will be planting flowers to beautify our Veterans Memorial. Larry Woods and I will apply linseed oil to the fence to preserve and prevent weathering as soon as the weather permits.

I want to thank Jerry Webster, our Commander and Albert Hawkes our past Commander for the outstanding job they have done tiling the floors and painting at our Legion building. A very special thank you to Steve

Gentling, our 89'er chairman and Larry Woods our 89'er Finance Officer for their outstanding work. Also a thank you to the Thursday morning coffee group. They are a great bunch who love to give me a hard time about being a Democrat. PS. Victory will be ours!!!

2nd Vice Commander's Message

Honor Park still seems to be misunderstood by some people so this is my interpretation according to the standard dictionary.

HONOR-Respectful Regard – A nice sense of what the right-that to which respect is due. A synonym for reverence, a feeling of profound respect.

PARK-A tract of land for public use in or near a city-a square or plaza in a city usually containing shade trees and benches.

DISHONOR-To deprive of honor, disgrace, insult, lack of honor or of honorable character.

Honor Park is for the sole purpose of showing honor and respect to all the veterans that served this country and that paid the ultimate sacrifice for the freedom we all take for granted. This includes those veterans and citizens who chose to dishonor Honor Park and use it for anything other than its intended purpose, to show respect an honor for all veterans.

If you haven' been to the post lately, you need to come see all the improvements being made, thanks to Jerry Webster and Albert Hawkes. New tile has been laid and the walls are being painted. I would like for all members to at least stop in and give us your opinion of work being done, I think you will approve. We have several events coming up that, we would like to have as many members participate as possible check your bulletin or call the Post office for information. Looking forward to seeing you.

By the way our Thursday morning coffee is growing: Albert, Jerry, Myrl, Leroy, Greg, Willy, Steve, Pete, Dave, Ryan, Smitty, and Mark just to name a few who join us. Stop by on Thursday at 9:30am and have a cup of coffee, a doughnut and find out what is going on.

3rd Vice Commander's Message

Hello to all, my name is Gregory Rupert and I have been recently appointed as your 3rd Vice Commander of this outstanding post. I look forward to serving you at the best of my abilities. I would also like to welcome our new adjutant Ryan Alley. He has already "hit the deck running"

In addition to duties as 3rd Vice, I was asked to be involved with the Boys and Girls States program. I gladly accepted this duty. I will be working with Myrl Waggoner in this program. As you all know we, recently lost Bill Wagoner who was not only a great 1st Vice but a profound leader in the boy's and girl's state program. On January 10th, myself, Jerry Webster and Albert Hawkes attended the Department Mid-Winter conference. It proved to be an all day affair, but I am sure that all three of us came away with much information and new knowledge of our American Legion and its operation on the Department level. In addition, it was great to

interact with other post members throughout our great state. I would strongly recommend any member to attend at least one of these conferences. Oh, yea I got "busted" when my cell phone went off during one of the presentations. Therefore, I had to pay our Department Commander a \$5.00 fine for this infraction! All in fun though.

On another note, we have submitted a request to the Home Depot for a grant for our post. Basically, this request is for much needed repairs to our building. I will update you all on the progress of this endeavor. Let's all keep our fingers crossed! For what it's worth, I feel optimistic based upon numerous conversations with the grant coordinator

On January 29th Albert Hawkes and I met with Brett Howard, Manager at Home Depot, Edmond, Oklahoma. He is in charge of all grants. We had a very good meeting regarding our request for our grant. The grant is going forward as planned. The application will be submitted ASAP for approval, as per Mr. Howard.

Lastly, I would like to let you become aware of an American Legion program dedicated to our wounded warrior. You may have seen the advertisement on television with the Oak Ridge Boys country band acting as spokespersons for this program. For only \$19.00 Contribution/Pledge per month you can become a part of this worthy and much needed program for our American veterans. You can call 1-888-614-4614 to contribute. When you do, you will receive a really nice American Legion challenge coin!

Semper Fi and God bless
Gregory Rupert

Adjutant's Message

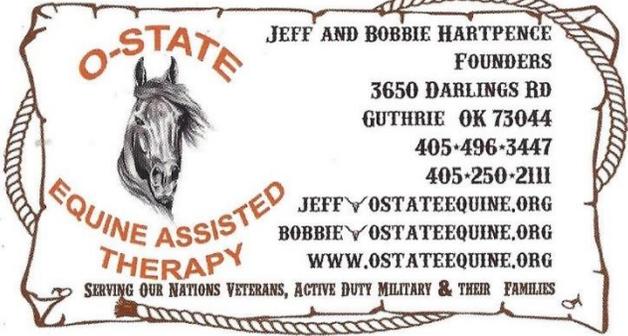

February is quite a month in the history of our Armed Forces. In February of 1945 The U.S. Eighth Air Force launched the most destructive attack in all of history, even more so than Hiroshima and Nagasaki, in an effort to bring the war in Europe closer to a close. That same year, on February 23rd, The Marines raised the American Flag on Mt. Suribachi on the island of Iwo Jima, one of the most iconic and well-remembered battles in American history. The Persian Gulf conflict in 1991 lasted from February 1st, until the 28th, when coalition forces (mostly American) drove Iraqi forces out of Kuwait in a 100 hour conflict. The history of our military is a big part of our culture in the American Legion. We celebrate and honor the lives, accomplishments, and sacrifices of those who came before us. As many of you know we are being given the opportunity to celebrate the life of one specific man on March the 15th, at our American Legion Birthday celebration. The descendants of Capt. Leo Lebron, our Post's namesake, will be in attendance and we will have a historic chance to honor a service member who paid the ultimate price. I hope all of you can be there to celebrate with us. I also hope to see more of you at our meetings and around the Post in general. We have a lot of exciting things going on and we want you to be a part of them. Remember, the staff and officers of Lebron Post 58 are here to help and serve you. If we can be of assistance give us a call or stop by the Post.

On March 15th at 1:00pm we are going to have a special ceremony for the American Legion's 96th Birthday, but more importantly activating the first annual Capt. LeBron Appreciation Day! Our post is named after a great WWI hero and we are going to learn more about this great soldier. Many things have been learned lately about Capt. Leo P. LeBron and we will share all that has been learned on this great day. Capt. LeBron's family will be attending this event and invitations will be sent out for the city of Guthrie, Governor's office along with the Department of Oklahoma leaders. We have many things we will present during this day. I encourage each and every one of our Legionaries to attend this. We will have a lunch on hand that will be no cost.
