*'And in those days People will seek Death and will not find it. They will long to die, but Death will flee from them. — Revelation 9:6 (Zombie Apocalypse)*

The purpose of this report is to transcribe and highlight the portion of a presentation given by a Canadian Theology Professor, Dr. Pierre Gilbert. It was given during a Lecture on Eschatology or the Study of End Times warned in 1995 or 1996 at a Conference. He predicted that Mandatory 'Vaccinations' would be coming. He detailed in incredible accuracy how the so called 'Vaccine' would contain 'Liquid Crystals' or essentially Graphene Oxide that presently all COVID-19 Injections are comprised of, 90%. They contain Nano-Particulates that are made from Carbon (6 Electrons, 6 Neutrons and 6 Protons).

It is the same base Element from where Diamonds are derived from or 'Crystals' in other words. What Dr. Gilbert asserted was that such Liquid Crystals would be infused in the very Biological Tissues of Humans, most notably in the Brain. And as Graphene Oxide is highly Electro-Magnetic, the Liquid Crystals would function as a 'Receiver' and 'Transmitter' of information and commands, through Low Frequency Radio Waves, etc. This in turn would or could turn the Human Being into a 'Zombie' at will. The video of this astonishing revelation that has become reality now, presently was poster to several YouTube sites.

The original presentation is in French and the entire lecture is over 2 hours. The portion where he starts to discuss about the Mandatory Liquid Crystal 'Vaccines' occurs about the 1 hour marker. It is incredible that such a man had this foresight of what was to come to pass. Being a Theologian and studying Eschatology, one can decipher many of the clues based on Biblical insight. Or he was given Divine Revelation as well. What has been happening presently in the World is that the 'Fact Checkers' are denying that 'Robots' are going to take-over and control one's Body to make into a 'Zombie'.

Many other ridicule such a notion as being, absurd, Conspiratorial, and/or lunacy. But since the mid 2010's, many Scientific Research Paper have been published demonstrating just that. That through Nano-Bots or Particulars made of Carbon or Graphene Oxide, such Self-Assembling and Self-Replicating 'Bots' do fuse with the Living Tissue. However, what has been disturbing is that several Doctors have examined this Graphene Oxide under the Microscope and one under an Electron Microscope and have found Living Organisms that resemble a 'Hydra'. What are they doing there for just a 'Vaccine' that is to prevent 'Hospitalization' and/or 'Death'.

## English Translation Excerpt

### *Electromagnetic Fields*

*There is also the Pollution that we will put in the Blood and in the Human Body by creating Infections and then having created these Infections voluntarily, we will create Laws which will force the Population to be given 'Vaccines'. And in these vaccines, there is everything you need for you to be controlled. We will use these 'Vaccines' to introduce Liquid Crystals. These Crystals will lodge in the cells of your Brain. They will become Micro-Receptors to Electromagnetic Fields sent by Waves of 104, which is a very Low Frequency.*

*And with CBC, these very Low Frequency Waves we will be able to prevent you from thinking. We will be able to make Zombies of you. And do not think that I am at the stage where I think only 1 Hypothesis. What I will tell you when it is done, remember Rwanda. And finally Concentration Camps built by the United Nations and the United States. ...I have mountains of photos that show Concentration Camps in the United States and in the North American Territory. And in these Concentration Camps, they will receive only those of you who will not want to agree with the definition of their, 'New Citizen'.*

### *In Origin French (Canadian)*

#### *Champs Électromagnétiques*

*Il y a également la Pollution que nous mettrons dans le Sang et dans l'es l'humanité en créant des Infections et ensuite ayant créé ces Infections volontairement on créera des Lois qui obligera la Population à se faire donner des 'Vaccins'. Et dans ces 'Vaccins' il y à là tout ce qu'il faut pour que vous puissiez être contrôlé. On utilisera introduira dans ces 'Vaccins' des 'Cristaux Liquides'. Ces Cristaux se logeront dans les Cellules de votre Cerveau. Ils deviendront des Micro-Récepteur à des Champs Électromagnétiques envoyés par des Ondes du 104, qui est très Basse Fréquence.*

*Et avec CBC, ces ondes à très Basse Fréquence on pourra vous empêcher de penser. On pourra faire de vous des Zombies. Et n'allez pas quoique je suis au stade où je pense une seule Hypothèse. Ce que je vous quand c'est fait, souvenez-vous du Rwanda. Et finalement, des Camps de Concentration construit par les Nations Unies et les aux États Unis. J'ai des montagnes de photos qui montrent des Camps de Concentration, aux Etats Unis ce Territoire Nord Américain. Et dans ces Camps de Concentration, recevra seul parmi vous qui ne voudront pas être d'accord avec la définition du 'Nouveau Citoyen'.*

As many looked into this old video and presentation, what is certain is that what Dr. Gilbert saw and predicted has come true. For example, before the Plandemic was released, the Guardian published the following, 'Genetically Engineered Magneto Protein Remotely Controls Brain and Behavior'.

The Study showed in 2016 how Living Tissue injected with Graphene Oxide could be, can be manipulated through Radio Waves. Then in 2020, Defense 1 published the following Article entitled, 'A Military-Funded Biosensor Could be the Future of Pandemic Detection'. It reported how Hydrogel, the Patented Name for the Graphene Oxide or the 'Liquid Crystals' were ready to be injected into People. And when did this Article come out? March 20, 2020, right as the National Emergency was declared. And which by the way, is still in play and will never be retracted. Hello 'Brave New World'.

Why would one say that? Guess who largely funded this Research? The 'Usual Suspects', the Bill and Malinda Gates Foundation and DARPA. DARPA is the U.S. Black Operations Agency called, Defense Advanced Research Projects Agency. It researches for the U.S. Department of Defense. What is happening though is that such public information by way of Mainstream Media is still up and un-censored. The real Research and intended outcomes are published in the Medical Journals such as PubMed.com. It is there that many Research Papers on controlling Human Tissue, Organs and Mind have been taken down. One Research Paper, Peer-Reviewed was posted as far back as 2012.

It is titled, 'Actively-Targeted LTVSP@Y Peptide-Modified Magnetic Nanoparticles for Tumor Imaging'. It demonstrated that certain parts of the Body can be controlled through External Frequencies. Why this Research is still available is that it has as its premise, the desire to 'find the cure' for such ailments as Tumors; all noble causes. But if the Research is somehow linked to COVID or 5G Frequency Associations and how that can help 'Heal' or Repair the Body through Injections, those are being Retracted.

Now about Rwanda? Remember? It took place in 1994 where the Tutsi Minority Ethnic Group, mostly were murdered, hacked alive, slaughtered at the hands of the Majority Hutu Group. It was based on centuries of pint-up animosity. If what Dr. Gilbert is insinuating, he believes the Genocide had to do with a degree of 'Zombies' being programmed to kill. Farfetched? There are Super Soldier operations and research where Mind Control Technology has been used and is. See the movie, 'The Men Who Stare at Goats (2009)'. If one 'Googles' Rwanda Mind Control, nothing will show up. But if one uses DuckDuckGo.com, then the following Rabbit Trails begin.

Although Bill Gates had not yet been Experimenting with his 'Vaccines' in Africa yet, there has been the U.N. that has always offered-up Africans as alive Guinea Pigs to try-out Big Pharma Medical Devices. All of course in the guise of 'Saving Africa'. One wonders what type of 'Vaccines' were being administered to the region around that time. Was it only then given to the Hutu that were 'wired' then 'Kill' the Tutsis? What set off the mass killings? Was it through another form of Electro-Magnetic Frequencies being delivered by Airplanes perhaps to the Targeted Racial Group? Here are excerpt from the paper, 'American Mind Control in Baghdad. Spooks use technology 'proved' on one-million dead Africans'.

*Where the American 'Mind Controllers' score with their Airborne and Truck Mounted Equipment is by using Microwave Aerials that can be adjusted, in exactly the same way as you would adjust the focus on a variable beam flashlight.*

*One of the leading lights in this field is Dr. Elizabeth Rauscher-Bise, who was a Nuclear Scientist and Researcher at Lawrence Berkeley National Laboratory, and at Stanford Research Institute, Professor of Physics at John F. Kennedy University of California, Research Consultant to NASA and the U.S. Navy, and a member of IEEE, APS, AAAS, MAA, ANA, AAMI.*

*Elizabeth Rauscher-Bise identified specific Frequency Effects to induce Nausea, Happiness and many other Behavioral States decades ago. Clearly, Dr. Rauscher-Bise is an enthusiast: 'Give me the money and 3 months', she boasts, 'and I will be able to affect the behavior of 80% of the People in this town without their knowing it. Make them Happy - or at least they will think they are happy. Or Aggressive.'*

*In the Rwandan Hutu Tribesmen example shown at the start of this report, the Crew of the C-130 Hercules only needed to know the width of the Target Crowd on the ground, and the width of their own Microwave Beam at any given true altitude in feet [as read directly from the Radar Altimeter].*

*With those 2 values available, it is then a simple matter to adjust Beam Width to accurately 'bracket' the Target Crowd from any altitude chosen. But this equipment is not just deployed in large lumbering Hercules transport planes. During recent weeks, European Security Experts have concluded that smaller versions of Crimson Mist were recently deployed on the street of Baghdad...*

If this Graphene Oxide that has been injected into Billions now all over the World, is poised to potentially do the same, imagine what will be possible for the Power-That-Be to undertake. These Liquid Crystals are now inside the Bodies of Billions and will, at some point in time be activated by Light or Sound, as in Frequency. As time will be needed for all the Nano-Particles to totally interface every Cell of the Body's Living Tissue, it will give time for the 5G/6G/7G External Networks to come online.

As to be implemented and synchronized to the right Radio Frequency and power for the Human Body. Such that have now the Graphene Oxide in them will respond to EMF Waves carried-out by Wireless Networks. This will now make every person that has the Nano-Bots in them a Living Biological Walking Network, connected, come online. That is if the People do not continue to drop dead from its Adverse Effects.

And this is one primary reason the People behind this Agenda are going for the very young, the Children. Their resistance to Adverse Effects will likely make them more prone to survive the Adverse Effects and live. According to the several depictions of what it will be like during the coming Tribulation Period, after the Rapture event, it will be like a Zombie Apocalypse, literally.

It will not only be possible to do the same thing that was done in Rwanda, but in a global scale. It will be done silently and remotely in complete secrecy, without having to fly planes over Target Populations. All this takes to Bill Gates and Elon Musk's Low Orbiting Satellite Dragnet that is just about now all in place to fire-up their 'Sky Net'. The 5G+ Wireless Network will then be used to beam the Radio Signals onto all the Earth or en masse. Remember Rwanda.
