## General Program Information

### About the A.C.E. Scholarship Program

The A.C.E. (Accepting the Challenge of Excellence) Award is a \$2,000 scholarship that honors high school students who have made a dramatic turnaround in their attitude, performance, and future outlook during their high school years. These students often overcome significant challenges—such as physical disabilities, language barriers, abuse, delinquency, or substance abuse—and yet receive little recognition for their achievements.

The A.C.E. Award shines a light on their perseverance and determination, celebrating their success as they prepare to graduate.

The A.C.E. Award is a powerful and uplifting program with two key goals:

1. To inspire students to overcome adversity and stay on the path to graduation.
2. To recognize and celebrate those who are often overlooked, showing that resilience and hard work truly matter.

This recognition not only honors deserving students but also sets a meaningful example for others in the community.

Winner(s) will be selected at the local level to advance to the district competition, with the opportunity to compete nationally for a \$15,000 scholarship!
