

PROPHETIC PENTECOSTS

ECHOES OF THE LIBERATION OF THE TEMPLE

The start of the Tetrad on April 15, 2014 has some possible present day prophetic overtones to the Tetrad of April 24, 1967. The 7 week count of 49 days from First Fruits on April 18 lands on June 7, 2014 as denoted on a timeline from the Spring Feasts of the LORD/Jewish. This date of June 7 is exactly 47 years exactly from when the IDF recaptured the Temple Mount on June 7, 1967. By some estimates, Pentecost occurred on June 5, 1957. This is precisely when the assault to the Temple Mount & the battle for the Old City commenced. This numerical count thus also has echoes of the year 19-47. The year '47 was when the UN Partition Plan made Israel a de-facto state. What is remarkable is that on both prior Biblical fulfillments, the prophetic climax occurred on Pentecost based on certain Jewish calendars. Israel's declaration of independence was on the eve of the Sabbath and Pentecost. The timeline will show that the Feasts are in perfect phi ratio from Passover to Pentecost and likewise the Tetrad Blood Moons are in perfect harmony of time and space to Pentecost of June 8, 2014.

Another reason why makes Pentecost of 2014 is unique is that it follows 3 consecutive Pentecosts to have occurred in-between eclipses within a lunar cycle period that has not occurred nor will for hundreds of years according to NASA's eclipse table calculations. Astonishing, there are 120 days from the May 19, 2013 to June 8, 2014 Pentecost dates. This is the number of the Disciples of Christ in the Upper Room that gathers to receive the promise of the Holy Spirit. It was also the start of the Church Age. The Body of Christ, the Church was birthed as a result of the death of Messiah during Passover, His burial at Unleavened Bread & His resurrection at First Fruits 3 days later as the promised Sign of Jonāh was fulfilled. Could thus this Pentecost not only be tied to the 3rd Temple but to the Christians around the world, if not at that time, thereafter? As the Church's Commission & 'Spiritual Temple' is completed, will this mark the time for the Earthly Temple to commence?

"It can be shown that even the Jewish calendar of Iyar 6 could have been Sivan 6th (i.e., Pentecost) that year since the month began very late that year. Sivan 5th is Pentecost on the 360 calendar while Sivan 6th is Pentecost on the regular Jewish calendar. This is because the month of Iyar only has 29 days in it on the regular Jewish calendar, whereas the 360 calendar always have 30 days."

PENTECOST

Israel became a nation Sivan 5 on the 360 calendar, which was May 14 evening to May 15 evening in 1948. Israel became a nation at midnight May 14th ending, in 1948, upon the termination of the British mandate. The following is from Pentecost to Pentecost:

May 14, 1948 to June 8, 2014 = **66** years, 25 days or 3447 weeks

PENTECOST

June 5th, 1967 was when the IDF began to ascend to the Temple Mount on the 50th year count of 1967. Israel regained the Old City since AD 70.

The year 19**66** by some calculations was the Year of Jubilee.

PENTECOST ?

Will this Pentecost Pattern hold and see a Biblical fulfillment of some sort on or around June 8? Something related to the Temple & the Church of Jesus Christ. It may very well occur as start of the Tetrad echoes the day counts are very similar to the June 7, 1967 recapture of the Temple Mount.

Could this count from the Blood Moon Passover be a prophetic count or code that the Pentecost that will be a major and significant event that will lead to the building of the 3rd Temple within the 2014-15 series?

As the Spiritual Temple is complete as the Earthly Temple begins.

As you come to him, the living Stone-rejected by humans but chosen by God and precious to him- you also, like living stones, are being built into a spiritual house to be a holy priesthood, offering spiritual sacrifices acceptable to God through Jesus Christ.
