

## 2021 Friends & Family Camp Information

We are SO excited to have you back at Camp Arrah Wanna (CAW) this summer!  
READ THIS DOCUMENT FIRST... It will help you prepare for your time at camp.

We welcome families, couples, singles, young adults, and members of our "wiser" generations to come and enjoy Labor Day weekend together at our amazing Camp! Our trained & screened leadership & staff work hard to create a comfortable, safe, fun and powerful environment for all who want to have a relaxing or activity-filled vacation. We offer a Christian-based program, but you don't need to hold any particular faith to join us... we just want you to come, relax, enjoy the company of other awesome people, get to know God, experience love and service, and make life-long friends.

Spending a weekend at Camp Arrah Wanna is one of the BEST things you will ever do! In the summer, we offer activities like swimming in the heated pool, floating the Salmon river on an inner tube, playing creative and wacky games in the field, GaGa Ball and other games in main camp, indoor & outdoor volleyball & basketball, Low-Ropes Challenge Course, and so much more! Campers & families have the opportunity to worship together as a community, share delicious meals in the beautiful Main Lodge, hike our private forested trails along the Salmon River, or just relax in any of the countless peaceful spots around camp, including the new Prayer & Meditation Garden. Saturday evening will be our annual dress-up themed dinner & dance party, and then the Mt. Hood Community has been invited to join us for an outdoor Drive-In Movie. And you DO NOT want to miss our renowned TRIVIA NIGHT on Sunday! CAW is a place you are SURE to make life-long friends, learn more about how much God loves you, and have a blast while doing it. Come check us out for yourself!

### SECTION 6: Health & Dietary Needs

All prescription medications for campers who are under 18 years old are the responsibility of parent/guardian. Trained/certified medical personnel and nearby clinics assure that you are well taken care of while at Arrah Wanna. If there are any changes / additions to your medical coverage, please contact the camp office prior to your arrival at camp. Your insurance is primary.

**DIETARY NEEDS:** As long as we know at least 1 week before arrival, we will do everything we can to provide some alternative food options for people who request 1) vegetarian, 2) lactose free and/or 3) gluten free options. However, because of our limited resources and staff numbers, we encourage you to bring some of your own favorite supplemental foods. We cannot take specific orders and are not able to guarantee that cross-contamination is completely avoided.
