

## **SUNSCREEN PERMISSION FORM**

Due to the amount of time we will be spending outdoors each child must have his/her own sunscreen, to be supplied by the parent.

Please ensure that the sunscreen is clearly labeled with your child's name.

Sign the permission form below in order for the staff of Rippleton Roadsters to **re-apply** sunscreen on the children as required.

---

I give permission to the staff of Rippleton Roadsters Child Care to re-apply sunscreen on my child(ren) \_\_\_\_\_ as required.

I understand that **I am required to supply the sunscreen** and apply it on my child each morning before he/she arrives to the program; the staff will then re-apply sunscreen for the afternoon.
