Sixteen membership applications have been submitted to the Treasurer. Seven members did not send in their dues as of today. Ron Ring will be sending them a letter reminding them of their obligation and opportunity to be a member of the Buckhorn Skinnners Muzzle Loader Club (BSMLC).

Deacon will be organizing the club shooting supplies (Round ball, patching material flints, & etc.) and will provide the club with a quarterly report.

Ron Mann will be printing targets with the shared printer (FLMLC & etc.). Cost of the ink cartridge will be fairly divided among those who use the printer. Cost of the card stock will be borne by each user individually. Subheading

Smokin' Toes red hot metallic rose!!!

Dale Crabb will be making the plaques for the Squirrel Shoot and has purchased the lumber/wood. He also purchased the ceremonial tomahawk for the Mountain Man Walk and will be submitting these expenses.

Ron R has the plaques for the Squirrel Shoot. Some discussion of ordering medallions to be provided for sub-junior shooters. Also discussion of sub juniors shooting off the bench and providing them with necessary benches and etc.

Ron Mann and Dale (Co-Lieutenants) mentioned the Little Moon Trading Post and their offer to provide leather shoulder pouches for \$50 for four of them for the occasional prize blanket. We agreed to a club purchase of \$50-\$60 that Dale will select and negotiate.

Gordon agreed to get paint to paint the hooter before the Squirrel Shoot. Ron M suggested a new T-post be used to straighten the flagpole, both to be undertaken on the March workday (weather permitting). Reminder to all to be planning for their donation to the prize blanket.

A separate workday to inventory the black target backs and repair as necessary will be on March 17th. There will not be a shoot on that day with the entire day dedicated to working on the target backs and frames. Bring power drivers/drills & etc.

We are still scheduled for a workday with Pat on March 30-31. Bring your rake with you.

Review of the BSMLC bylaws (on our website) to be read by all members (esp. past Captains) by Oct. 1. Any noted changes to then be included and voted on for adoption.

Meeting adjourned ~ 2:00 pm

We had a brand new Family that shot there first monthly shoot with us. Jeramie Allee (father), Amanda Allee (mother) and James Allee (middle school age son). Jeramie shot to well. We'll have to bend his front sight just a little!!! Amanda showed us her wonderful bead work that was on her family's buckskin outfits. James liked the cookies.

The weather was fine for February. No snow, no wind and lots of fun in the sun. The meeting was called to order ban our Captain Gordon Cisar. Take it away Gordon.
