## **Instrumentation**

2 Trumpets in B $\flat$

Horn in F

Tenor Trombone

Tuba

Virginia's Shenandoah Valley holds some of the most beautiful sights in the world. Nestled in the heart of the Appalachians, the region is surrounded by tree-covered mountains which offer tremendous views year round. In winter, the now leafless trees give a new transparency, which offers an even more astonishing view of the desolate, snow covered valley.

"Shenandoah Winter" explores the contrasting sounds of close, icy intervals and the open, desolate chords that represent the seemingly lifeless mountainside.
