Program News!!! (and some other stuff...but sadly no gossip...or is there?)

September's workshop is **Jackie Gauker's** adorable Felted Wool applique pin-cushion!! The guild is supplying the walnut chips for filler. They are nothing like Buffalo chips, FYI. I sent out an email reminder to those signed up to bring 20.00 to pay the instructor if they have ordered a kit. A few spots are still available and I have now opened it up to local guilds so if you want to take this class please contact Steph or Cass. Reminder that the class begins at NOON.

October's class is **Judy Langille's** Creating Original Cloth. I am really interested to see this process!!! Below is a description of the class: Create beautiful fabric of your own design using a variety of printing, painting and surface techniques. Begin the course by using a thermal image machine to create precise and detailed screen images that you will print. Proceed to paint, monoprint and stamp on the material followed by using dyes, discharge agents and glue. These fabrics can be used as original cloth or can be combined with fusing techniques to create a collage or quilt. All levels.

Also! We have until October 1 to submit ***suggestions for the 2020 challenge*** so get your suggestion in today! The announcement for the 2020 Challenge will be made in November! We are still getting suggestions so if you have one, send it in. We'd love to include it.

THANK YOU! To everyone who came to clean out closets and bins in July. How great to go into the closet and actually find what I needed!!! Life is grand!

Does everyone know Al made me a rolling pin? With my name on it? How cool is that???

It is not too late to visit the **Hunterdon County 4H Fair**. A number of our members have won ribbons for their quilts. The fair is open Saturday, August 24, from 10 am to 10 pm, and Sunday, August 25, from 10 am to 5 pm. The address is 1207 Route 179 Lambertville, NJ 08530.
