

FREE Introductory Webinar for Region IV Grantees

FLIP IT: Transforming Challenging Behavior (1 Hour)

Wednesday, November 1, 2017 @ 1:00:00 PM EDT

Rachel Wagner, MSW

Devereux Advanced Behavioral Health's Center for Resilient Children

At our 2017 Leadership Summit in Atlanta the week of June 26, RIVHSA announced a new partnership with the Devereux Advanced Behavioral Health's Center for Resilient Children which we anticipate will have a huge impact on Head Start classrooms and teaching staff. The On-Demand Digital Learning Center allows offers professional development at your convenience with seminars customized for Region IV to focus on the importance of adult wellness and providing parents and teachers with the resilience foundation they need to provide high quality care to young children.

**Because we believe On-Demand will expand your reach, we are offering
a free introductory webinar for the Region IV network.**

FLIP IT: Transforming Challenging Behavior (1 Hour) with Rachel Wagner

Join Rachel Wagner, author of the book titled "FLIP IT®: Transforming Challenging Behavior", for a 1-hour introductory webinar on FLIP IT! The FLIP IT strategy is designed to help young children (ages 3-8) learn about their feelings, gain self-control and reduce challenging behavior. The four steps are embodied in the FLIP IT mnemonic which stands for F - Feelings, L - Limits, I - Inquiries, P - Prompts. This evidence-based strategy is nothing new, but transforms best practice into something that is easy to remember, applicable in a variety of challenging situations and portable. Join us to learn more about how FLIP IT can support programs who are looking for best practices on reducing challenging behavior in young children.
