

Like all blessings from above healing is received by faith in the goodness, faithfulness, power and the will of God. In this 11 CD study, Dr. Hohman shows from the Scriptures that God is both able and willing to heal the sick, the diseased, the infirm. He and his family have experienced this blessing of divine healing and so have millions of others. Multitudes of books have been written about faith healing, spiritual healing, divine healing, healing prayer, healing ministry (and other similar expressions). And genuine testimonies abound of God's power to heal sick and infirm bodies. But the foundation for this truth lies not so much in men's experience - as wonderful as that may be - but in the Scriptures, the Word of God. As Dr. Hohman teaches, you will become open to the revelation of this great truth of Divine healing, as Jesus said in John 8:32, "And you shall know the truth, and the truth shall make you free."
