We have committed to exhibiting 45-55 paintings, for this non-thematic exhibit. Artwork must be at least 80 % pastel, no restriction on subject matter, and for sale (Re:Vision’s commission is 40%). Entries are open to any member of WPA current with their membership dues. Paintings completed in the last three years (2017, 2018, 2019) and not shown in the region are eligible. New work is encouraged!

All artwork submitted is to remain hanging for the duration of the exhibit. Artists are responsible for the drop off and pick up their exhibit-ready (appropriately framed, and securely wired) artworks.

Awards will be: “Best of Show”, 1st, 2nd, 3rd, (prizes will be \$100, \$75, \$50, & \$25, respectively) and two Honorable Mentions. We will conduct an Artists’ Choice Award; voting will be held the evening of the reception and limited to WPA members in attendance. The winner will be announced that evening at 8:30 PM.

Re:Vision joins other nearby galleries holding receptions on the second Saturday of each month.
