### **Agreement of Financial Responsibility**

Oxford Primary Care & Weight Loss Center has established the following financial policies to ensure that patients are informed of our financial policies:

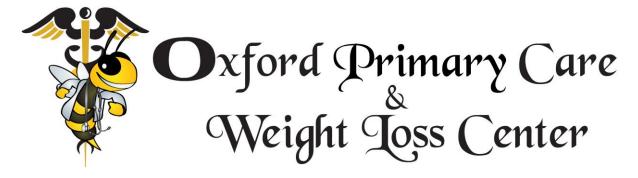

- 1) Payment is expected at the time of your visit. We will accept cash, credit and debit cards only as forms of payment.
- 2) Payment will include any unmet deductible, co-insurance, co-pay amount or non-covered charge. If you disagree with your insurance company, it is your responsibility to contact them.
- 3) We are participating providers for many insurance companies. We will file your insurance. Please remember that insurance is a contract between the patient and the insurance company and ultimately you are responsible for payment in full.
- 4) If you have an unusually large balance with our office, we will work with you to establish a payment plan. However, it is your responsibility to honor your agreement.
- 5) All payments will be applied to the oldest charges first except for insurance payments which are applied to the corresponding charges.
- 6) Disability forms, special insurance forms, extra transcription, copies of medical records, etc. requires office staff time and time away from patient care. We will require pre-payment for these forms and records determined by the length and complexity of the form.
- 7) After reasonable collection efforts by our staff, we will turn accounts over to a collection agency. When that occurs, you may be discharged as a patient from our practice. You should discuss your difficulties in paying with our staff and make arrangements before it gets to the stage of collection.
