

Dear Parents/Carers,

On Wednesday 12th and Thursday 13th February our school is holding its very own Race for Life event for Cancer Research UK for Reception/KS1 and KS2.

We will be running, jogging, walking or even skipping around a specially marked track on the school grounds. This 'Race for Life' will take place in the afternoon as part of the school day. Children will be encouraged to do as much as they are able to do, with a 1k course for Reception/KS1 and a 3k course for KS2. All children will receive a medal at the end of the race.

Parents who want to take part in the race with their child are more than welcome to come to school. However, due to how the course will be set up, we are unable to accommodate people who want to watch the race.

Date	Time	Who?	How far?
Wednesday 12 th February	2.00pm	Reception and KS1	1k
Thursday 13 th February	2.00pm	KS2	3k

The reason for this 'Race for Life' is to raise awareness and funds into the research for finding a cure for cancer.

All monies raised will be donated to Cancer Research UK. Please send any cash donations into school in an envelope, alternatively if your child would like to be sponsored, forms are available in their classrooms.

Children wear their own clothes to school on their race days, we would ideally like to see lots of pink, but they must be able to run in their clothes and be wearing trainers. Please ensure your child has a water bottle in school for this day. The children will be running partly on the field so may get muddy.

Thank you for your continued support

Together we will beat cancer
