A Letter To All Spirit-Filled Faithful of the Diocese of Venice in Florida!

Please join us as we celebrate the “Birthday of our Church – Pentecost!” We turn our attention to God’s plan for our lives as He reveals it through the power, the workings, and the voice of the Holy Spirit. God has planned for each of us, a fresh outpouring of His Holy Spirit.

Pentecost is the perfect time to pray, “Lord Jesus Christ, I am sorry for all my sins that have offended you so greatly. Please forgive me. Thank You for Your Life, Death, and Resurrection which opened heaven for me. I ask for Your Gift of the Holy Spirit to come into my life and enliven me every day, teaching me Your Ways and sanctify my thoughts, words, and actions with the help of Your Grace.

Our Pentecost Celebration will begin with exuberant praise and worship at 3:00 pm, followed by Holy Mass at 4:00 pm. with Father Ananda Anki Reddy, main celebrant, and Claudio Steward as concelebrant. Please come and meet our newly appointed Spiritual Advisor, Fr. Reddy. He is looking forward to greeting all of you.

The Word Gift Ministry will be present, and Prayer Team Ministers will be available to pray with you for your specific needs, immediately following Mass.

Prayer Groups, please don’t forget to bring your banners and banner stands for the procession at the start of the Mass and again for the recessional at the end of Mass.

The Pentecost Celebration is intentionally planned for Sunday afternoon, to accommodate those traveling distances and not wishing to drive at night.

We are excited and filled with anticipation for all that God wants to do with us on this special day and throughout the coming year. Come join us as we pray together, “Come Holy Spirit, anoint our lives with an ever-deepening awareness of Your Presence”.
