Thank you for your interest in our community; at Diamond Senior it is our commitment as a partner with the state of Kansas and the department of Housing and Urban Development to provide affordable housing to families who earn less than 60% of the area median income. We provide affordable, high quality housing in a small community setting. We hope you will find our community to be what you are looking for.

The AGI is the Anticipated Gross Income; the rental rate is based at 30% of the **total** earnings of each household, these Income limits are as follows:

Unit Size	# of Apts. At property	Income limit for a (1) person Household	Income limit for a (2) person Household	Income limit for a (3) person Household	Income limit for a (4) person Household	Income limit for a (5) person Household	Income limit for a (6) person Household	Rental Rate
One Bedroom	89	\$35,340	\$40,380					30% of AGI

We have a limited number of apartments in each of the price ranges shown above. Figures are subject to change in accordance with the State Income Guidelines, utility allowances and Area Median Incomes. These changes can be made during the lease term and may result in rents being increased or decreased during the lease term. Diamond Senior is a site based Section 8 and Tax Credit property. Therefore, your income will determine your rental rate. Rental rates cannot be given until actual verification of income, assets, and expenses.

Diamond Senior is a **Restricted Age and Income** development for seniors 55 and over. Income limits apply to the TOTAL earnings of all persons in the household. Rental rates are set and are not based on Income. Please refer to the Income Limit and Rental Rate Tables based on the size of home you wish to rent.
