

THE OLIVET DISCOURSE

BLUEPRINT OF SEQUENTIAL PROPHETIC RESTORATION

The purpose of this illustration is to present and examine why the Lunar Tetrad of '14-'15 is unique and relevant to a coming convergence of Biblically prophecy and to the rebuilding and dedication of the 3rd Temple. The illustration will seek to that the Lunar Tetrad sequence of 1949-1967-2014 pertains to the 3 'keys' given by the LORD Jesus Christ during His discourse on the Mt. of Olives. These 3 'keys' of Biblical prophecy pertain to the Temple, Jerusalem and Israel as the LORD spoke about each in the context of their End Times restitution. It is the order in which they were also to be destroyed but as this illustration will show, they will be restored in reverse order. This current generation has seen the first 2 prophetic keys fulfilled, that is the return of the Jews to the Land and the unification of the Old City of Jerusalem. What remains to be prophetically fulfilled based on this Olivet blueprint is the rebuilding of the 3rd Holy Temple.

It was on the Mt. of Olives overlooking Herod's Temple or the 2nd Temple, that Christ Jesus outlined the context of the coming convergence of all Biblical Prophecy. According to Messiah, certain conditions that would have to take place first before His 2nd Advent could occur, the event that *'no man knew the day or the hour'*. This blueprint or framework was given by Jesus Christ as a discourse to the Disciple's question about the Temple that stood during their day and the end of the Age. The 3 'keys' Messiah mention first in order have to do with 1) the very Temple they were gazing upon that would be raised to the ground 2) the armies that would surround Jerusalem and 3) the Diaspora or exile from the Land as it was given in a Fig Tree metaphor.

Tetrad... In the 70th year? 70 AD + 1948 years = 2018

This is the context and premise for this study; the 3 'keys' will be shown to correlate to the last 3 Lunar Tetrads of 1949-1967-2014 prophetically to a Before-During-After prophetic template.

This Fig Tree in turn would constitute the prophetic fulcrum in which the 3 restorations would commence before Messiah's return.

The Lunar Tetrads appear to directly correlate prophetically to the mirrored sequence of the Olivet Discourse in how the Temple, Jerusalem and Israel have started to be restored, but in reversed order.

The first 2 restorations have been in-step with the last 2 Lunar Tetrads since the Jews returned to the Land of Israel and forged a rebirth of their nation in 1948. Thus this chart illustrates that the 3 Lunar Tetrad since 1949 will be in step with the restoration of the Holy Temple.

This chart illustrates that the last 'key' will pertain then specifically to the rebuilding of the Holy Temple within the timeframe of the Lunar Tetrad of 2014-15 in keeping with the association of the prior 2 Tetrads of 1949 and 1967. Thus these Tetrads should be regarded as being very significance due to their sequence and timing alone. The following is a menorah pattern that graphically denotes this theory of the 3 'keys' that Christ gave in the Olivet Discourse that is superimposed with Daniel's 70 Week Prophecy and Jesus Christ's ministry that fulfilled the 1st 3 Feasts of the LORD at His 1st Coming, the last 3 will be at His 2nd Coming.

The Prince that came, Titus from Rome destroyed the Temple, Jerusalem and exiled the Jews from Israel. The 4 Legions surrounding Jerusalem exemplify the 4 coordinates of the Zodiac. In particular, the 10th Legion was Julius Caesar's persona guard.

THE LION

As the Temple was the successor to Moses' Tabernacle, the standards given to Israel by Tribe that encamped around the Tent of Meetings followed the 4 Celestial cardinal points of the Heavens that mirrored the very Throne Room of YHWH with the 4 Living Creatures, the Eagle, Man, Lion and Bull. It is striking that the same blueprint was even kept in the Temple and City's destruction with the Roman Legions. Perhaps even in the yet future time when AntiChrist surrounds the City will modern army ensigns correlate.
