Newsletter #3

February 24<sup>th</sup> and 25<sup>th</sup>, 2024

### Parish-Wide Feasibility Study Continues!

A view of the preliminary new church interior

In order to be good stewards of our resources, careful arrangement and thoughtful planning are required and the feedback of our parishioners is essential. **Your** participation in this Feasibility Study is an important factor in making this project a success. Your input will enable us to prepare a course of action so that together we can make educated projections concerning our future.

Your survey answers will be seen only by Guidance in Giving, the firm assisting the parish with this study. They will not be seen by Fr. Dennis or any of the Parish Staff. So we invite you to respond openly!

### Survey Weekend

We thank all families who have responded to the study regarding our proposed new church. All answers received will be incorporated into the final report that summarizes the thoughts and opinions of the parishioners of St. Kateri Tekawitha. The survey only takes a few minutes and provides us with valuable feedback.

If you have yet to respond to the study, we ask that you complete a survey and either drop it in the offertory collection or return it to the Parish Office. Survey forms are also available at the entrances of church. You may also respond online:

- Go to the parish website <https://www.stkateritekawitha.org/>
- On home page, click on “Feasibility Study”
- You may also participate in the study via the QR code below.

**If you would like a paper copy of the survey mailed to you, please contact the parish office.** Your input is vital in shaping our plans and determining the future of our Catholic family for years to come. **Be assured that this questionnaire is highly confidential and not a formal solicitation.** It is geared however, to obtain and gauge the sentiments, attitudes, and support of our parishioners regarding the proposed new church.

For more information, please contact the Parish Office: (951) 845-2849
