

ASTER MOHAMED:

Vision, Experience, Proven Leadership for Schools

When elected, Aster will work to improve our schools by:

- **Reducing standardized testing** by seeking alternative ways to monitor student progress in a more fair and accurate manner.
- **Supporting parental involvement programs**, supporting parent-career training, and advocating for funding for full-time VPK programs.
- **Expanding M.A.S.S.** (Music, Arts, Sports, and Second Language) programs.
- **Expanding and improving services to special needs students** and creating public/private partnerships to ensure that families have adequate information and resources to available programs that will help all children succeed.
- **Establishing meaningful partnerships** with county commissioners and state legislators to establish **after-school programs** to keep our youth engaged.

Paid for and approved by Aster Bato Mohamed for School Board, District 7, nonpartisan.
