69-02 QUEENS BOULEVARD

69-02 Queens Boulevard Tops Out In Woodside, Queens

Rendering of 69-02 Queens Boulevard. Designed by Perkins Eastman

BY: MICHAEL YOUNG 8:00 AM ON MAY 21, 2022

Construction has topped out on **69-02 Queens Boulevard**, a pair of 12- and 15-story mixed-use buildings on the border of **Elmhurst** and **Woodside, Queens**. Designed by **Perkins Eastman** and developed in partnership with the New York City School Construction Authority and **Madison Realty Capital**, the 500,000-square-foot complex will yield 478 mixed-income apartments, a public school, and retail and public outdoor space. McNamara Salvia is the structural engineer and Omnibuild is the general contractor for the project, which is located on a plot of land bound by Queens Boulevard to the north, 69th Street to the east, 70th Street to the west and 47th Avenue to the south.
