Thank you in advance and please feel free to share this email with your contacts. The community looks forward to celebrating all our graduates and their accomplishments.

Shalom Family & Friends, The Israelite Community Graduation Committee (ICGC) is organizing another virtual community graduation for all the graduates throughout our communities. Last year's first community graduation was a great success and we are excited to host yet another graduation celebration on Sunday June 27, 2021. It is our hope that we can make the celebration even grander than before; however, we will need to once again rely on your generosity and financial support. We thank and appreciate all of you who have contributed last year and helped to make the event a huge success! We are humbly soliciting your support again to be able to adequately obtain quality gifts for all of the hardworking graduates of this year. We thank you in advance for your consideration and generous donations. Donations will be accepted through me, Gv'T Deborah Mack, ICGC treasurer. Given that there are several options in which to donate, please contact me directly at deborah@bnai-adath.org or through the ICGC email at israelitecommunitygraduation@gmail.com.

Sincerely, Deborah Mack Gv'T Deborah ICGC Treasure
