Dear Participants and Supporters of the Marathon Community Scholarship Foundation,

At our meeting this evening, our Board of Trustees made a difficult decision to cancel the 5K Run for the Scholars, which was to be held on Saturday, June 27, 2020. Due to the uncertainty of the COVID-19 restrictions, we felt it would be best for our community's safety to cancel the 5K Run for the Scholars. This cancellation does not impact the graduation awards for the current graduating seniors.

Our organization's mission is to raise funds to sustain current scholarship offerings to the graduating seniors of the Marathon Central School District. The 5K Run for the Scholars is our major fundraiser for the year. If you would like to help support the graduation awards, please consider making a donation to the Marathon Community Scholarship Foundation, which is a 501 (c) (3) tax exempt charitable organization.

If your company already submitted your sponsor donation to us, we will credit your donation towards next year's 5K Run for sponsorship. We look forward to the continued support of past 5K participants, sponsors, and community members at our next 5K Run for the Scholars in June 2021.

Take care and be safe!
