Please check the activities your child plans to attend, and return to ICMS by August 30th. Turn the forms into the front office, please.

\$150/Semester prepaid for 2 children (or \$40 per month)

****If paying month by month, you must pay for all months (4 x \$30 = \$120) regardless of whether your student attends full time or not. This will also be true for students who participate in sports and don't attend ASA's the entire semester.**

Drama auditions are Wednesday, September 4th (transportation to The Optimist will be provided). Those selected will begin September 10th and Drama continues through March, 2020. It will be held at the NW Optimist Bldg. on Grand Blvd. We will take the students by bus and you pick them up at 5:00 p.m. Students that begin Drama need to finish the session. If students begin and then drop out, it puts a burden on the cast as well as their director.

Students who are not attending After School Activities must be picked up no later than 3:15. If not, the parent/guardian will be charged the After School Activity fee.

Sports will be announced separately. These activities will also be held after school. If a child wants to attend an After School Activity during the "off season" times of a sport, this is fine. Go ahead and mark the activity your child desires. During the sport's season, have him/her visit with the sponsor of the activity and make arrangements to return after the end of the sport's season.

Make a copy of these forms for your records and reference. Have the student write their After School Schedule in their planners. Please return the signed forms to the front office to register for the After School Activities... better known as "ASA!" Thanks!!
