

Year 5

Hello Year 5,

We are missing you all but I hope you and your family are all well. It has been a strange first week not being with you in the classroom but we hope you are enjoying the new experience of home learning. Remember to balance your day with lots of fun time, art/craft, exercise, and relaxation too! Try hard but just do what you can manage and don't worry if you can't complete everything. It is just a guide for you and your adults at home, so go at your own pace. We look forward to receiving some messages here are our school email addresses:

English

Use the website: <http://www.pobble365.com/>

Here you will find a daily picture. With each picture, there are some great activities; in particular, the question time. Try to discuss your ideas with members of your family.

Science

We have been learning about plants. Here are some clips for you to watch and develop your understanding further. How many different plants can you spot in your garden or if you go on a walk?

<https://www.bbc.co.uk/bitesize/topics/zy66fg8> - online learning about plants

<https://www.educationquizzes.com/ks2/science/> - ongoing quizzes about past and current science topics

History

Research time, see if you can find out information about Ancient Egyptian Hieroglyphs
Useful web link:

<https://www.bbc.co.uk/bitesize/topics/zg87xnb/articles/zvw3mfr>

Have a go at trying to crack the codes. You will need to look at the two sheets we have uploaded for this activity. You don't have to print them out just look at them online.

PE

At home see if you can follow these workouts – have fun!
