Our Mission

To give hope to those
who are orphaned or
abandoned in
Cambodia.

***Children are a
gift from the
Lord, They are
a reward from
Him.
Psalms 127:3***

Spring 2021

Hannah's Hope Supporters,

As we continue the work for Hannah's Hope, we find the Covid climate is still making our activities more difficult and taxing. Cambodia has continued to monitor the virus and made travel, not only to Cambodia, but within the country, difficult if not impossible.

With the Covid issues in America we are limited once again on our ability to hold our annual banquet. This is an important banquet, not only to provide information about the home, but to explain the needs Hannah's Hope may have.

We have recently learned the city is going to claim twelve feet of our (Hannah's Hope's) front yard from the front wall toward the home. This is going to require us to remove some awning which covers our parking and the area our children are taught by the tutor. We also have to create a passage to allow our vehicles to be parked in the rear of the building.

Our children are continuing to grow physically, spiritually and mentally. They are doing good things for the local church and the home. Without your support this would not be possible.

Continue to remember Hannah's Hope in your prayers as well with financial support.

SHARING THEIR STORIES

One evening, Ravy gave the children the opportunity to share about their life before coming to Hannah's Hope . Their stories provide a glimpse into their backgrounds.

Seyha and Seyhak said, “I had five siblings. When I was living in my hometown, I had no food, clothing or money. My father died in a car accident when I was 10 years old. And I always steal something from someone.

Sokly said, “My parents do not take care of me. I was always with my grandmother. I and Samsung always walk around picking up scraps and trash to eat”.

Phearum and Vibo said, “We are from Takeo province. Our mother is blind and our father is dead. We never knew what banknotes or money were. But today we both decided to beg for money at the market.”.

Thy said, "I have no food, no home and no parental care. I always miss school. My father died of alcoholism. I'm the first to live in Hannah's Hope".

Hann said, "I have a sister living in Hannah's Hope. I have no food to eat. And there is no parental attention either. After my father died, my mother had a new husband."

Hong says, "I do not know my parents. I lived with my grandmother." He added, "I almost never say hello to everyone in Hannah's Hope. Special greetings to the leader (Ravy)."

One day my mother sold me to another family because his mother lost the game when I was 9 years old. Sok Heang cried loudly.
HENG

Thai said, "I do not know where my parents are? I had someone pick me up in the field."

COMMENTS FROM RAVY:

The children said that when they lived in Hannah's Hope, it was better than when they lived in their homeland.

They said thank you to God, then thank you to you and me and the staff. They said that if they did not come to live in the organization, they would not know how to live, have food to eat, clothes to wear, shoes or study materials.

Hallelujah

It is exciting to hear these two precious souls gave their lives to Christ through baptism.

Srey Tu (left) is 15 years old and the sibling of Nak, Nat and Neat.

Srey Mom (right) goes by Elizabeth. She's 14 years old and is the sibling of Meas and Joseph.

Prayers for their continued growth in Christ.

Celebrating Valentine's Day!
