

## Schweitzer Brentwood Library

Here is the information you need to know for the Exhibit at Schweitzer Brentwood Library:

Outside dimensions of art should not exceed 20-22 inches as there is limited space for large works.

There is space for about 20 – 24 pieces depending on size.

Drop off art at the library (2214 Brentwood Blvd) on Saturday, February 3 from 9-10 a.m.

Pick up art on March 30, 9-10 a.m.

Art should be framed or gallery wrapped and have a wire hanger on the back (no sawtooth hangers)

You may submit one - three entries, however we may only use two of them depending on the number of entries.

This is not a juried exhibit, so no need to submit a photo image.

The theme is “Love and Joy”, so most anything that reflects one or both of those feelings is acceptable.

Please send me the following information for each piece of art AND attach the same information to the back of your entry/entries. **Deadline: Monday, January 29.**
