Capitol Hill

The occultic configuration from the White House to the House of the Temple is that of a 3-deminsional cube. This has direct connotations tot eh Islamic Kaaba in Meccas that is used to worship Allah but in the occult, it is Jupiter or Lucifer that is inferred. The Cube is interwoven within the hexagram and pentagram. These are signature emblems of the demonic occult when used to conjure up Fallen Angels and demons used in sorcery and human sacrifices.

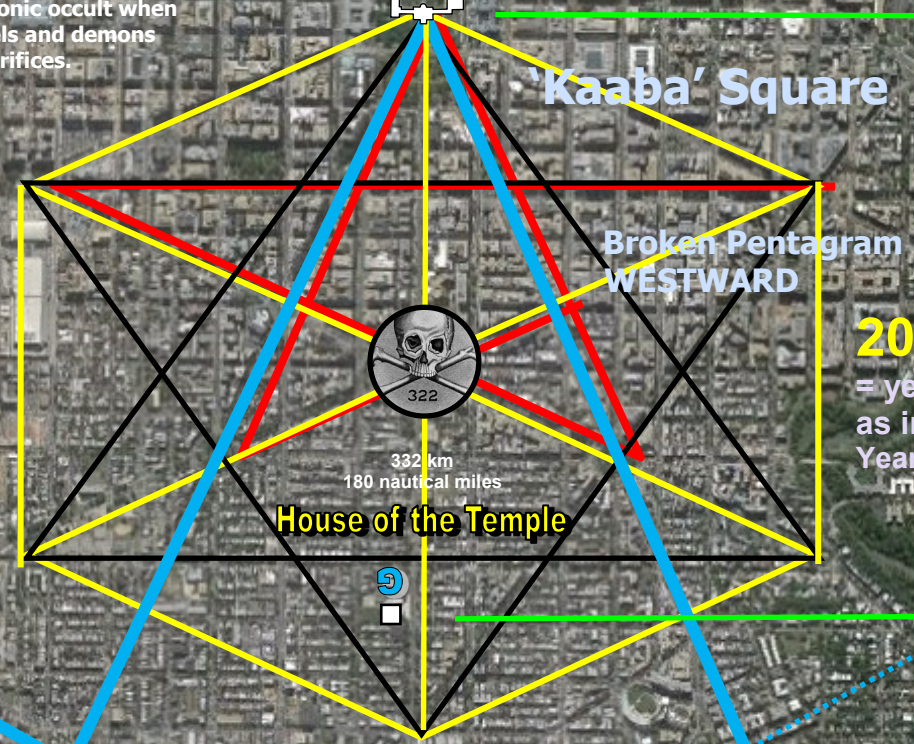

Washington Monument

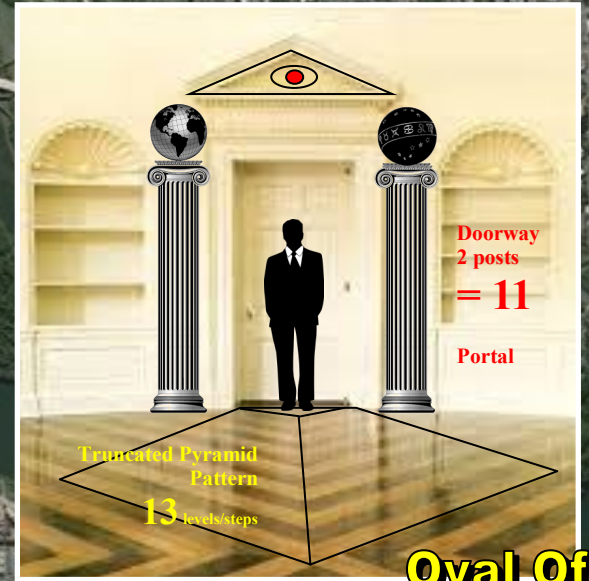

The letter 'G' is the 7th letter in the Roman alphabet. The House of the Temple is placed in tis precise geometric location in relationship to the White House as it is meant to influence and rule. The very apex o the Masonic compass as well as the Satanic pentagram and hexagram converge on the White House.

Oval Office

This illustration suggests that the floor plan of the Oval Office is layout in a the similar Masonic signature of the unfinished pyramid of 13 steps with the 14th corresponding the capstone that is to descend from a portal or gateway. The number 13 is associated with rebellion and all that is vile.

Missing Pyramid

The House of the Temple has the classic unfinished pyramid as seen then their Dollar bill with the hovering Eye of Lucifer as the pyramidion. The coming down truncated pyramid is set atop the Cube of Saturn.

The House of the Temple incorporates the signature letter 'G' that serves as the focal point of the Masonic Square and Compass. In this case concerning the layout of the Washington DC street grid, the 'G' also serves as the focal point with the very Temple.

Kaaba Pattern

The House of the Temple hollows the same blueprint of the Kaaba layout of a square main section or building with adjacent rounded arc to its side. This study suggests that the years from the White House to the Masonic Temple correlated to years of time.
