- Closed-toe boots or tennis shoes. No sandals, flip flops or open toed shoes are allowed on the range.

REQUIRED ITEMS FOR CLASS:

- **EYE PROTECTION - This is required!** Shooting or Safety glasses are preferred. - **EAR PROTECTION - This is required!** Electronic headsets are preferred, as they allow you to easily hear range commands without having to remove your ear protection. Standard headsets or ear pieces are allowed so long as they are quick and easy to put on and take off. Please, **NO FOAM** ear pieces. *We offer Electronic headsets and other less expensive headsets for sale in our Pro Shop.*
- **BRIMMED HAT OR VISOR - This is required!** A hat or visor is required to ensure brass or other items do not get lodged between your eye and eye protection. *We have these items for sale in our Pro Shop.*
- A VALID DRIVER'S LICENSE or Firearms Permit / Carry Permit.

LUNCH: Since we have a lot of material to cover during class, we will have a **working lunch**. We offer a catered lunch (sandwich or soup or salad, plus iced tea) for \$9.00 per student. If you prefer, you can bring your own lunch. We have a refrigerator and microwave on site for your convenience.

HOLSTER AND GEAR RECOMMENDATIONS:

- Strong-side, outside the waistband polymer or Kydex holsters are strongly suggested for this course, especially if this is your first formal defensive pistol course.
- The **holster should be model specific** (made specifically for your make and model handgun).
- **NO** weak or worn out leather, or flimsy nylon holsters are allowed.
- Appendix carry holsters **ARE NOT ALLOWED**.
- **Experienced shooters may use** strong-side inside the waistband polymer or Kydex model specific holsters and wear a cover garment.
- A QUALITY GUN BELT is required.
- Your instructor will review your holster and gear during dry fire exercises. If the instructor feels your gear is unsafe for the course, you will need to rent or purchase the proper gear
