

Camp Arrah Wanna's mission is "To provide a beautiful, peaceful and safe environment where people can experience the transforming power of God's love and find support through healthy relationships and activities."

Camp Arrah Wanna's summer staff PHISH Program exists to provide young adults (16+) an opportunity to gain real-world work experience while also creating an environment that grows their faith and ability to live in Christian community.

PHISH may be involved in day-to-day operations of running the Camp: Trash Rounds, Water Rounds, Lifeguarding, Facilitating Activities such as Low Ropes Course and Archery, running the Camp Store, general property upkeep and other special assigned projects.

Applicants should be seeking to honor God in every area of their lives, striving to live out the fruit of the Spirit and desiring to participate in this ministry with the heart of a servant, with a teachable spirit, a willingness to learn new things and be adaptable so as to re-learn old skills, habits, or traits when necessary. Life at Camp is busy and does have stressful moments: Maintaining a positive attitude even with long work days, early mornings, and hot weather will go a long ways! Participation in team activities, adventures, conversations and Bible studies is required.

Mandatory Training & Orientation for All: June 15-17 (\$180 before taxes)

Optional Training (if you want to facilitate Low Ropes & Archery): June 18-20 (\$180 before taxes)
