It has been a busy year and as we head into February, plans are under way for our Second Annual Black History Month Celebration. Trustee Dr. Constance Longmire has been working on the arrangements. The event will take place at the Congregational Church on the square (9050 Church St.) on Saturday, February 29th from 2:00 PM to 4:00 PM. Keep checking the Face Book page and Website for updates or changes for this event. We are looking for an even bigger crowd than last year.

Our February Open House will be on Sunday, February 23 and will feature our Police Chief, Chris Noga. The program starts at 3:00 PM. He will be talking about the history of the Police Department in Twinsburg. There will be time before and after the program to visit our First Responders area which features the Police, Fire and Military. Great time to bring the kids.

The trustees have been working hard to plan for the year. One of our biggest challenges is fund raising. We are custodians for four buildings and they all need a lot of care. Our newest challenge is the Moses Roach House. Many of the repairs have been completed but there is still much to do. All donations are welcome.

The new quilt is on display. We will be selling raffle tickets all year. You can get a good close look whenever you are in the museum. Contact us on the website, though Face book or just call and leave a message if you want to buy a ticket, they are \$5.00 each and the quilters donate the quilt and the proceeds to keep us going. These quilts are one of a kind and handmade by our Tuesday group.

This could be the year that you get involved. We are in need of folks to help with our Open Houses. Students are welcome too. We can train anyone to be a docent and act as a tour guide for our Open Houses and for our special tours. We are looking for more ways to connect to the communities. Whether it is the city, the township or the village of Reminderville we can use your support. The Face Book page and website get a lot of traffic. Do you have a suggestion as to how we can make it better? Send us an email or give us a call. We love to hear from you. You are never too old or too young.

Since you are already a member, you understand the importance of belonging. If every member could recruit one more member we could double in size. Check out the calendar and see which of our activities you would like to help with. You can see the Google Calendar on our website by highlighting the "About" tab then clicking on the "Calendar" selection. If you want to see what events we have planned for this year you can go to the any page on the website and download our 2020 Events Calendar. (Look right under the main title, you will see it in red)

The Historical Society relies upon the generous financial support of private individuals & of our local businesses to help us preserve and care for Twinsburg's historical legacy. We hope that you will help your Twinsburg Historical Society continue its important work by considering us in your will, trust or by beneficiary designation. History is preserved not through government institutions but through the actions of selfless individuals who became aware of a momentous event or were touched personally, then inspired to do what they could do to save it. As a society we grow learning from our past and we hope you will join us in preserving this knowledge for the future.

Bequests in your will, trust or by beneficiary designation cost you nothing now. You can hold on to your assets for as long as you need them & you can change your beneficiaries at any time.
