President's Message

Summer is on its way out but Lead East and Deadman's Curve is here. Whichever event you choose be safe and have fun. Joanne and I will be at Lead East.

It's been a pretty good cruise and show season, except for the heat and rain. Our club picnic was great as always thanks to Bill and Martha Downing for putting it together and Arlene Kubat for the food. Thanks also to our cooks, Don Terhune, Ron Case and Paul Adamoff. I know everyone brought stuff so thanks to all of you too.

Suzanne Gayet and Joanne handed out the clothing that was ordered last month. We will be taking orders again in the fall.

You can look at all the pictures on the web site <https://njortc.smugmug.com/2019-Picnic/> In a few weeks we will be setting up our fall colors cruse and we will keep you posted

As most of you know I have thrown my hat in the ring for Region 1 Director again. I hope I can count on your support, for the first time I am not running unopposed. As always, please stay safe, and pray for our members struggling will health and other issues

Picnic

This year we had an absolutely glorious day for the picnic, virtually no humidity and temperatures in the 70's. The pavilions were clean and ready to use when we arrived. The Morris County Park Commission really does a nice job.

There was plenty of help to set up and break down the event. Arlene did a great job with the food, and our cooks, Don Terhune, Paul Adamoff and Ron Case did a fantastic job as well. President Pat supplied the music and the event was well attended with 47 members, 4 guests and, if I counted accurately, 14 T-Birds.

The day started with coffee and donuts, bagels, and of course B&W crumb cake. The pre-lunch quiz was "Name That Star." Members had to match the movie star's picture to their name. Drew Fotta was the big winner who had 38 of the 40 correct. Great job Drew! The day continued with lunch, where there was plenty of food including great salads and delicious desserts. We ended with a trivia contest that the men won this year, for a change, just edging out the ladies 21 to 20.

A big THANK YOU to everyone, including Martha, that helped make this a delightful day to visit with friends and enjoy the time together.

Bill

Vice President's Message

The weather has been beautiful this last weekend and so far beginning of the week. Would love it to stay this way. This weekend is Lead East and Dead Man's Curve. Hope we have this beautiful weather. Whatever show you are going to have a safe and great time.

Wendy and Mike Meehan came to our Club picnic. Wendy looked good. We were all glad to see her. Keep up the good work Wendy. Joanne's blood work has been good and is adjusting to new chemo treatment. Pat is doing good with coming close to cutting off his hand cutting his bushes. He needed a few stitches. Hope everybody else is doing well.

We had a great time at our annual picnic. The weather was fantastic, food great, cars looked good. The most important thing were good friends. I believe everyone enjoyed themselves. Thank you Bill Downing for Chairing this event. A lot of hard work and planning goes into making the picnic a success. The matching of the Stars game was fun and, of course, trivia was fun. The women let the men win this year!!! Also thank you ladies for making all the salads, desserts, etc. everything was delicious. Everyone brought something, ice, soda, coffee, bagels, crumb cake, water, ice tea, water melon. Thanks to all.

A big thanks goes to our chefs, Don Terhune, Paul Adamoff and Ron Case. They did a great job.

Our new Club clothing was given out at the picnic. Seems like everyone was pleased with what they ordered. We will be selling on line in September, just in time for Christmas gifts.

Hopefully we will be having our Fall Cruise in October. We need someone to step up and Chair this event.

Our next meeting will be September 29th at Don Dobres's house at 2:00. Please notify Don if you are or are not going. If it's a nice day, maybe we can all meet somewhere and caravan down to his house. If it's nice out we can drive our TBirds there.

Have a safe and good Labor Day weekend. See you soon. Arlene
