MicroNeedling Special: Reverse the signs of Aging

The process stimulates anti-aging elements by speeding up and increasing collagen production. You will benefit with firmer skin, less wrinkles, less folds, better texture of skin, smaller pores, and improved appearance of stretch marks and scars. If you have been looking for an anti-aging solution that will not mean weeks of healing and a lot of pain then you should look into MicroNeedling.

NOUVEAU®
CONTOUR
PERMANENT COSMETICS

Micropigmentation or permanent make-up (PMU) is the revolutionary method of depositing hypoallergenic mineral pigments into the dermal layer of the skin. With an ultra-thin needle and pigment, the shape of the eyebrows, eyes or lips is enhanced.

Professional Skin Care Products:

Made in the USA, our clinical skincare is used by dermatologists, plastic surgeons, and medi-spas for daily homecare and to complement aesthetic procedures. We formulate to correct signs of aging, protect healthy skin, and prevent future damage.

Dr. Obagi's philosophy is to create & maintain healthy skin for life – for all patients. Our products are formulated & developed to do just that. Guided by Dr. Zein Obagi, a practicing dermatologist. Our comprehensive and continuous work in skin health solutions utilize the best of what science has to offer to improve our skin's natural functions that prevent or resolve many disorders. We look to science for developing products that create and maintain healthy skin for life – for all patients.
