2022 Veteran’s Day Parade Participant Rules

GIVE AWAYS:

NOTHING, ABSOLUTELY NOTHING (candy, beads etc.) may be thrown during the parade by a parade entry. If participants do not follow this rule, the entry will be pulled immediately from the parade route and will forfeit any rights to future participation. This Veteran’s Day Parade is done out of respect for those who have served and those who did not return home. Flags or tokens of patriotism may be passed out by those walking.

HORSES AND OTHER ANIMALS:

Animal participants must wear animal diapers. Animal entries accept responsibility for cleaning up the staging area and Parade route, if necessary. Failure to comply with this very reasonable request may result in being pulled from the parade line-up and/or not being allowed to participate in future parades.

PARADE ROUTE:

Please review a copy of the parade route prior to the parade.

FLOAT GUIDELINES:

Float trailers cannot exceed 45 feet in length or 8 feet in width. The Council assumes no liability for floats that are damaged in any way. Floats must be equipped with side rails at least 18 inches high and a walker at each of the four corners of the float. Only experienced drivers may pull floats. The driver pulling the float is the responsibility of the float organization.

CHILDREN:

It is the responsibility of organizations with children to maintain control of the children and the organization is responsible for their safety.

I have read the above rules and understand that failing to abide by them will disqualify this organization from participating in the future.
