February 2011 President's Message

I have been asked to write the presidents message this month, as William's mother is seriously ill and he is not available. First and foremost let us offer our thoughts, prayers and well wishes for William and his family.

Important MLPA news, is that they are refining, and fully intending to implement the closures as noted in the most recent maps. Map demarcations are being refined so as to allow better and more accurate identification of the closed areas. As of this writing we are expecting two more public comment sessions and from the DFG perspective we are probably looking towards a June 2011 implementation.

I have just learned that a petition for injunctive relief against the MLPA was filed this past Wed or Thurs. and we are up in the air about their response to that legal action..... I implore you all to **P L E A S E** GET A CURRENT COPY OF THE "WESTERN OUTDOOR NEWS", and read the lead article "**PSO picks up gauntlet, sues over 'unlawful MLPA closures'**" by Paul Lebowitz.

Many of you have stood by for several years thinking "they can't get away with this." Well my friends They *are* getting away with this, and it is time, you stood up to be counted and made some effort to insure that your rights are protected. I hate to think, that sometime, in the near future, *after you have lost your right to fish*, you will be scratching your head and wondering what you could have done to prevent this. This is your call to action..... volunteer to attend the last public speaking sessions and donate your allotted speaking time to someone who will defend our position. Find ways to raise money to help defray our legal costs. There will be other things you can do, but you must get off your duff and get to work.

I won't apologize for sounding annoyed at the lack of response in the past. I feel very deeply about my grandchildren retaining the right to fish, which has always been, for me, one of the most enjoyable experiences, of my life, and I have been terribly disappointed in the failure of others who claim they love to fish to become involved in any way. I suppose to some, getting involved, was too much of an inconvenience. Not to worry,when the closures take effect, there will be much more convenient time for them.

Donations are now seriously needed to take our fight to the courts. Ron Coleman has suggested that, we, as a club make a donation to the legal fund and I agree wholeheartedly. We will have a further discussion of how and where to make a donation at the regular meeting June 9th. Bring your ideas for fundraisers to raise more money to defeat the MLPA and protect our right to fish.

You can get an interactive look at thje closure maps at the internet source.

Previous Business:

Banquet/ December Raffle

Ron indicated that he would double the appetizer order for 2011. William indicated we had 82 attending.

In discussing the banquet, it was noted that Tom & Darlene Lee donated a trip on the Freedom and other items for the Raffle. They are expected to speak at the January meeting despite the recent loss of Darlene's brother. Dick indicated that a Memorial service will not be held until February because Darlene has another brother who is ill. Denise will write thank you letter to the Freedom.

The issue of 3 buckets for the December Raffle was brought up and Lynn gave his guarantee that 3 buckets would be brought for the 2011 banquet. Blue tickets would be for Terminal Tackle, line etc. Red tickets were for members only for high dollar equipment & Trips, separately.

Lynn mentioned he had a problem that guests could not win higher dollar tackle items, that blue tickets only covered smaller value items. He was reminded that he was in charge of the Raffle and it was suggested he speak with prior raffle chairs to discuss how the raffle was done previously. The topic was tabled for the September meeting.

New Business

Ron Coleman suggested that the Club consider a donation for the Defense Fund via Bob Fletcher with a Photo Op as part of the donation in order to get publicity for the Club. This discussion will be continued at the next Board Meeting after Ron gets more information. Dick said he would bring the latest MLPA maps to the General Meeting.

Membership

Pierre was unclear about the exact number of members currently. He said he would have a roster available to the members at the February meeting. He said that the deadline to pay dues to receive a shirt was the March 2011 meeting. Dick said he would get some new shirt designs and submit them for consideration. Denise mentioned that without an updated roster prior to the banquet it was difficult to contact everyone as many emails were incorrect on the old roster. She indicated that she emailed and called Pierre many times prior to the banquet with a request for an updated roster & got no response. She also indicated that w/o the roster it was difficult to tell who was a paid member and who wasn't. She mentioned that the membership chair should be represented at the door to avoid questionable individuals from seeking membership, as there was a considerable problem this year with 1 person previously denied membership that she didn't know about. It was mentioned to Pierre that Sam needs an updated roster now.

Whopper Board

Warren said he was OK with the Whopper Board. One question was asked about the WSB, Yellowtail, Dorado category vs Halibut.

Freshwater

Hugo discussed scheduling a surf event and Mike offered to help him knowledge wise. It was mentioned that Don Udlock also had alot of surf experience.

Saltwater

Denise asked why the Freedom didn't have a club trip since the owners are so generous to the Club. It was pointed out to her that it is a very large boat and would be too difficult to fill. Mr Jenkins was not present to discuss any other Saltwater issues.

into the Website. If you have anything you would like to add, e-mail it to newsletter@turnersrodandreeclub.com.

Newsletter

Sam was not present to discuss any issues as he teaches a class on Mondays.

Meeting Room.

The Club is currently meeting at Marie Calendars in Pasadena. There is no handicapped access to the second floor room and many members do not partake of the food because of quality & service issues. Coco's had been suggested as an alternative as they have several areas that could be used. After many months of trying to contact the manager, we were told this evening that if we used the fireplace room we would not be able to have a speaker. The large banquet hall in the back had minimum charge of \$24/person for sandwich bar. Denise reported she had checked on 2 other places but neither had rooms at all.

Challenge

Lynn Adams brought up that the Challengers Angling Club was interested in challenging Turners Club to a saltwater fishing tournament. It was mentioned that maybe have teams of 10 from each club on a combined Charter. The issue is to be brought up the the General Membership to see if there is any interest. Rules would have to be agreed upon ahead of time as well.
