President's Report

From the May Newsletter Bulletin:

Hello All,

I hope everyone is keeping well during this trying time.

The next SFMS meeting that was to be held at William Holland, last I had heard, has been cancelled for the safety of our membership.

Looking forward, I believe there may be effect ways to hold our final meeting of the year over a digital platform. I will update everyone if that becomes a viable option.

I want to stress that keeping everyone safe and healthy is my top priority.

Please contact me if you have any questions or concerns.

Thank you,

Jesse Griffin
Knoxville Gem and Mineral Society
2020 SFMS president

Editor's Note

Hello and Happy Holidays Rockhounds!

I'm repeating my message from November, so everyone is prepared for submissions in 2021:

I hope you have and take the time - to read our monthly newsletter. You may also submit... If you miss the deadline, your submission will be posted in the next issue.

Anyone who wishes to subscribe to the Lodestar and/or submit an article/show/report for publication, send us an email at: sfms.lodestar@gmail.com.

Please share this Lodestar newsletter with your local Club. You may simply attach this newsletter to your monthly newsletter distribution, or send out separately. Thank you for your assistance.

I've requested the Board Members, Committee Members, and the State Representatives contribute to the SFMS monthly bulletin throughout the year. The request was posted in the quarterly and annual committee reports. In mid May, I've sent a request to our Secretary to get the word out further. We are looking forward to more submissions from our BOD, Committees, and State Representatives, for your reading pleasure in future months.

I notice some Clubs are able to continue with their shows. For all future shows, please check with the Club to ensure their show is able to open. Future shows may have restrictions for a while, depending on their local area guidelines – please plan accordingly. We all look forward to the time when this pandemic is in the past and the shows go on as scheduled.

Some clubs have held their meetings via Zoom (virtual meeting on the internet) as early as April. Other clubs have suspended meetings. Some clubs have a small percentage of opportunities open in their clubhouses. The limited space available for keeping the required distancing will delay the activities, rockhounding, and fellowship fun.

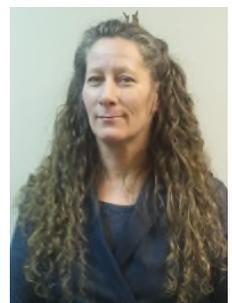

As always each Club is responsible to submit their show, if they to be listed in the SFMS Lodestar. We are all volunteers, and you'll need to provide all the details in a word or Open Office document. You may submit a .png, .gif, or .jpg if the ad is quarter page size – to allow the information to fit.

Please stay healthy, busy, and at home... and, masks are not just a suggestion in most places.

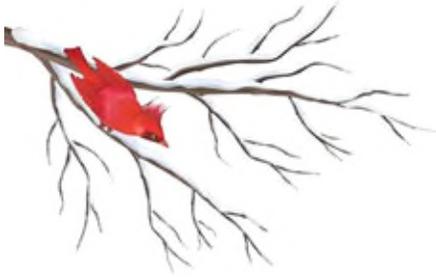

Be patient, Stay cautious and help prevent a second wave of this virus.

Keep washing your hands...

Be a Gem and Rock On,
Lori Heinemann
SFMS Lodestar Editor

Vice President's Report

It's December and my hopes are everyone is super busy planning and cooking for family gatherings. 2020 Has been hard on us all so I want to talk about something I find exciting. Our 10 Point Benefits of Belonging to SFMS. # 1 is [PROGRAMS AND ARCHIVES](#). I don't know about you but sharing and teaching others about my Love of everything Rocks and Minerals, GETS ME EXCITED! If your club is like mine, you aren't having monthly programs where you get to visit and teach your members about cool new things. On a positive note that gives us time to start preparing for great new programs to present when life gets back to normal. **SFMS can HELP!** We have a large vault of so many videos your club can Borrow... Yes many programs just waiting for us to use and teach our members without having to spend hours researching topics, putting together power point presentations or time on the phone looking for speakers. Some of the topics are [Geology](#), [Gems & Minerals](#), [Fossils](#) and [Lapidary/Jewelry](#). Many titles like: The Rock Cycle, Arches National Park, Earths Natural Treasures, whole series on everything AGATES, Fish Fossils of Wyoming, Introduction to Intarsia and so many more. If you'd like to see our entire library and how to check out your next video adventure, go to <http://www.amfed.org/sfms/slide-Vid-prog.html>

Secretary's Report

Happy Holidays to All!

I know this year has been tough on all of us. I am hoping that things will improve in the new year. With that hope in mind, we are moving forward with 3rd Annual Rockhound Roundup in Live Oak, Florida at the Suwannee River Music Park. The vendor application for 2021 is in this issue of your Lodestar. The dates will be March 12-14, 2021. Whether we will also have our Executive Meeting at the same time as this event, has yet to be determined, but it is possible. With the Covid 19 pandemic, we feel that an outdoor event is safer than perhaps an indoor meeting. More information to come as time progresses. Stay safe out there!

Stay Safe!

Sincerely,

Jerri Heer
SFMS Secretary

Committee Reports

Safety

Greetings all, hope all are safe and well. I highly recommend that the COVID-19 virus be avoided. I came down with the thing in September and now getting close to being discharged from rehab. Thanks to Easley Baptist hospital and their staff, I was quickly treated and "cured " and based on what many folks go through, not sure you get rid of this. As a side note I have been running a fever and was told, fallout from the virus.

I was transferred to rehab at Brushy Creek, which has been great. When I got here I did good to roll over. Anyway, I am substantially better, but not whole.

Fall and winter time is here and as I have noted many times, you must be ready for these challenges . Do not overdo it after being a couch potato watching football. Plan Your activities and use appropriate safety equipment. As all know, I pick at the home improvement shows and flipping shows about their ignoring safety glasses etc. using a mailer without glasses is a substantial risk.

Back to the pandemic, plan your December activities to comply with the CDC admonition to protect yourself and others. As noted, face masks protect you and others. And face masks are not political.

Happy holidays, Merry Christmas or whatever you wish to call this time, but watch out for COVID-19, you may only get the sniffles but your neighbor or guest may end up with a hospital visit. And in spite of some folks, Covid-19 is not a joke.

I wish all a safe and healthy December.

9. New Business:

a. Elections

SFMS Officer Election

President: Melissa Hill (1 year)

1st Vice President: Dennis Buchanan (1 year)

2nd Vice President: Daniel Griffin (1 year) Nominated from floor

Secretary: Jerri Heer (2 years)

Treasurer: Barbi Beatty (1 year)

Assistant Treasurer: David Liles (2 years)

Editor: Lori Heinemann (2 years)

4th AFMS Vice President: Mark Easterbrook

There being no further nominations from the floor, motion made by Barbi Beatty, 2nd by Dennis Buchanan to close the slate, accept as amended the proposed slate for our 2021 SFMS Officers. Motion carried. Voting on the slate: All yes votes. No nays. Slate was elected.

Mayo Directors

William Waggener

Wayne Dodd

Jerri Heer

Janet Steeper

There being no further nominations from the floor, motion made by Dave Wayment, 2nd by Travis Paris to close the slate, accept and elect the proposed slate for our 2021 Mayo Directors. Motion carried. Voting on the slate: All yes votes. No nays. Slate was elected.

b. Website options - AFMS Page vs run one thru Go Daddy (or other). AFMS website is currently down. We are totally offline currently. Consensus is that we need to strike out on our own, most of the other regional Federations have already done so. Suggestion by Mary Hart is that we purchase our domain name independent of any hosting, so that we own it and can transfer it to a different host as needed. Wayne indicated that he has a consultant that provides services free or for donation. He'll provide contact info to Lori H. There is a line item in the budget for webhosting. Under discussion, it was suggested that an Ad Hoc Committee should be appointed to study the best options.

Jesse Griffin, as President, appointed an Ad Hoc Committee to look at our domain, hosting and web development options and proceed within the budgeted funds available. Initial members of the committee will be Lori Heinemann, Lori Carter, Jesse Griffin and Melissa Hill. They will have the authority to proceed within the budget.

Barbi Beatty made a motion that the Ad Hoc Committee to study the options, and move forward to purchase a new domain name, web hosting and website building software within the bounds of the \$500 budget line item for that purpose. 2nd by Tom Mitchell. Suggestion made as we started voting that the motion should not limit the \$ amount. Motion voted down. Barbi restated the motion that the Ad Hoc Committee to study the options, and move forward to purchase a new domain name, web hosting and website building software within the bounds of the budget line item for that purpose, 2nd Reggie Bolton. Barbi withdrew the motion. Ad Hoc committee has already been appointed and can move forward with the President's approval.

c. Budget - Proposed Budget presented by Barbi Beatty - Various questions were asked for clarification. Danny Griffin requested that the line item for Education (Other) be restored to \$5000. Last year, it was given that amount, with the intent to establish a baseline of expenses for the future. But because of

Covid, no classes occurred and therefore, no baseline could be established. After extensive discussion, Bill Waggener made a motion to restore the \$5000 line item. 2nd by Dave Wayment. Motion carried.

After some discussion, motion made by Barbi Beatty to increase the Webhosting line item to \$600, 2nd by Dave Wayment. Motion carried.

Bill Waggener made a motion to accept the budget as amended, 2nd by Dave Wayment. After discussion Bill amended to increase the line item for Bulletin contest to \$800.00, Dave 2nd. Motion carried.

d. 2021 Executive and Annual Meetings

1. Rockhound Roundup - March 12-14, 2021
2. William Holland Workshops - June 11-12, 2021
3. Annual Meetings: Mobile? Jim Patterson stated this to be Thanksgiving weekend.

e. Bylaws Amendments - discussion only - Allow President to run 2 one-year terms same as 1st - 2nd VP and other Officers. Some discussion revolved around the time of commitment, investigating what the other Federations do. Danny stated that we need a committee to look at the changes necessary to the By-laws and Constitution. Jim Patterson suggested just remove the restriction to allow President to run for two years. It would not require, just allow a second term. Chain of progression is not required, only a tradition. Each election is optional. Any changes would not be proposed and voted on until the 2021 Annual Meeting.

Bill Waggener announced that the Mayo Annual Meeting will be tomorrow, Sunday, October 18, 2020 at 2 pm. Please contact Bill if you need an invitation.

f. Bulletin Awards – Mark Easterbrook – read the list of SFMS Awards. It will be printed in its entirety in the Lodestar. It was suggested that the winning articles be offered to other clubs for publication. Mark will respond to requests.

Dave Wayment stated that SFMS also has three AFMS Bulletin Editors Awards.

Dave Wayment made a motion to adjourn, Bill 2nd. Motion carried. Adjourned at 10:34 am.

< BREAK >

15. MAYO Educational Foundation Meeting:

Immediately Following Adjournment

16. Old Business

- a. 10 Points – Jerri indicated that this is still a work in progress.
- b. D & O Insurance/Bond – David Liles has an application through our current insurer, but needs some help answering the application. It is quite complicated. Wayne Dodd asked if the SFMS could offer a D & O option like we do for shows. Lori Heinemann has some research that may help, she will get with Wayne. David will have to fill out what we can and approach the Insurer with what we need help with.
- c. Bylaws Review – Danny Griffin indicated that we are still looking at the possibility of allowing the position of President to allow two terms, as the 1st and 2nd VP are. Reggie and Danny will continue to explore this and publish proposals to the Lodestar.

17. New Business

- a. **Increasing Media Presence** – Several members reported their successes with Social Media efforts (Facebook, etc.). David Liles indicated that they have gained a number of new members. Tom Mitchell said the US Faceter’s Guild has increased their activity by 80% in four months. Ken Brenneman stated that with help from a new young lady member, they have revamped their Facebook page and their website, and have some real hope of reviving their club. Judith Birx from Withlacoochee commented that they have gotten new members from popular posts.

Wayne Dodd suggested that we identify someone who can support clubs in this area. Tom Mitchell suggested we need a team to effectively promote, monitor and consult. Lori indicated that she has Publications email as a method of disseminating information. Barbi Beatty suggested using Google Drive for files and posting links on Facebook, the website and thru email.

Jason Hamilton Suggested and advertising push system -vs- pull system. Send info out, rather than post packet on website and expect people to look up. Steve Henegar suggested sending a monthly article/newsletter corner to each moderator for inclusion. Jesse will follow-up. Jesse suggested including Cyber security in the 10 points. Also suggested that we modernize our website. Maybe we need to approach AFMS or do our own. The AFMS system seems to hamstring our options. Charles suggested we use the AFMS site to post a link to a “new” site.

- b. **Florida** – Meri Jo Theobald has agreed to be an Assistant State Director
- c. **Workshop Scholarship Drawing** – Teresa Polly indicated that the current process seems ineffective. Need improvements of ticket supplies, advertising, solicitation for prizes, etc. Lisa Roberts would be willing to assist.

18. Adjourn – Motion to adjourn made by Danny Griffin, seconded by Bill Waggener. Motion carried.
Meeting adjourned at 8:55 PM

September Zoom Minutes

SOUTHEAST FEDERATION OF MINERALOGICAL SOCIETIES
EXECUTIVE MEETING MINUTES
September 20, 2020
Hosted on Zoom by David Nock and Chris Conlon of the EFMLS

Virtual Meeting Attendance Roll :

Jesse Griffin, Dennis Buchanan, Reggie Bolton, Barbi Beatty, Jerri Heer, Bill Waggener, Lori Heinemann, Teresa Polly, Dave Wayment, Danny Griffin, Charles Carter, Travis Paris, Chris Rutherford, Mark Easterbrook, Ken Moser, Rick Yost.

Jesse Griffin called Meeting to order at 2: 13 PM.

Jerri Heer verified quorum – need 1/3 of the 16 members = 6 people. We have 8.

Agenda:

1. Annual Meeting – This meeting requires 20%.

Dave Wayment has indicated that we could hold it with Zoom at the same day of the AFMS Annual meeting, perhaps just before.

We have also received an offer from the Mobile, Alabama Club to host during their Show which is Thanksgiving weekend.

Jesse stated that he liked the option to have by Zoom, during AFMS Meeting day. No travel, no hotels, travel during Thanksgiving. Jerri commented that during Covid, travel is dangerous for our aging population. While we are very appreciative that Mobile has made this offer, it does not seem advisable at this time. Teresa Polly stated that her employer would require her to quarantine for two weeks if she travels, and others may have similar restrictions.

Bill Waggener asked what weekend is AFMS? Dave W. said its October 17th. Suggestion is for 8 AM EST. AFMS Meeting is at 11AM, so we would hope to be done by then. Some of our people are on Central time, which would mean signing in at 7AM EST.

Jerri Heer made a motion to hold the SFMS Annual Meeting by Zoom at 8 AM EST on Saturday, October 17, 2020. Dennis Buchanan seconded. Discussion suggested an hour later, at 9 AM EST, but the consensus was the risk of overlap was too great. After the AFMS meeting there are several other meetings scheduled through evening, so 8AM EST seems the best option. This allows more than two hours for our meeting. David Nock from EFMLS offered to host again. Zoom may also provide better opportunities for more to attend because of the lack of travel and expense, making it easier to make quorum. Jerri noted that at this Executive meeting we have 15 of the 18 we would need for quorum for an Annual meeting. Motion carried.

2. Elections – Slate is full except for 2nd VP. Suggestions requested from the floor. All other positions are willing to continue. Jerri will work up the slate and get to Lodestar by this Thursday, (according to Lori). Also need slate for Mayo Board as well. We are past the required date, so we will have to offer to accept nominations from the floor.

3. Mayo Scholarships – Bill Waggener stated that all scholarships have been awarded, one returned Victoria Frazier, who graduated.

4. SFMS Website is out of date. Lori indicated that her computer is not up to the task. Our website is a page on AFMS. Jerri suggested we provide a laptop to the webmaster, as we did for the Treasurer and Secretary. Teresa Polly suggested that we put in the 2021 budget. David Wayment suggested that since we didn't use travel money for AFMS this year, we reallocate that money now, do a budget adjustment. Dave made a motion to amend the budget to reallocate up to \$2000 to provide laptop and software, move from Travel for AFMS. Jerri seconded. Motion carried.

5. Dennis Buchanan indicated that he has been unable to find State Directors for Virginia and Kentucky. Has recruited Chris Rutherford for Alabama State Director. Barbi indicated that Buddy Shotts had heart surgery, so Mississippi State Director may be in jeopardy.

6. Melissa, Jesse and Barbi need to have a budget meeting. Need to be able to discuss waiving or cutting dues. If Barbi can prepare a preliminary budget.

7. David Wayment made a motion to adjourn, Bill Waggener seconded. Motion carried. Meeting adjourned at 2:56 PM.

On September 23, 2020 with an email request from President Jesse Griffin, Jerri Heer sent an email out to the Executive Board making a motion to:

Accept Barbi Beatty as Treasurer retroactively for the 2020 fiscal year and place her on the ballot/slate for this Annual Meeting for another year.

Dennis Buchanan seconded

This action will correct an error in the timing and time frame of her previous election.

Jerri Heer, Dennis Buchanan, Steve Henegar, David Liles, John Narang, Melissa Hill, Chris Rutherford, Teresa Polly, Jason Hamilton, William Waggener, Reggie Bolton, Cyndy Hummel

Motion carried. Barbi Beatty is appointed for the entirety of the 2020 fiscal year as Treasurer.

Bulletin Editor Contest Report – for the 2020 Annual Meeting

2021 BULLETIN EDITOR'S CONTEST

With the AFMS annual convention and show in April 2021, it is time to set a deadline for bulletin editor's contest submissions for the 2021 contest. The deadline for submittal to the **2021** SFMS contest is **January 16, 2021**. This date is according to the AFMS contest and their submittal schedule. The deadline will allow SFMS editors to consider entries from each month in 2020, January through December. I realize this deadline is ambitious, but it is the best that we can do to meet the AFMS submittal deadlines given the upcoming traditional holidays. This information will be placed on the SFMS web site. Please visit the SFMS web site link for the bulletin editor's contest for much information and rules (www.amfed.org/sfms/bulletin_contest.html). The SFMS is currently working on establishing their own web site independent of the AFMS, so the link will change soon.

There is only one change for entries this year. The number of category entries allowed per club will be set at three entries per category. Each of the three entries per category must have been written by different authors. The only categories this rule does not apply to are the individual bulletin categories including 'New Editor', 'Mini Bulletin', 'Small Bulletin', and 'Large Bulletin'. These bulletin categories will remain at one entry per editor per category per club.

For this year, the SFMS WILL NOT have a restriction on those who won the first place award in 2018 or 2019 from entering the 2020 contest. This will not be the case for AFMS contest. If you have any questions, please let me know.

All entries must be submitted in PDF format on a CD or DVD in addition to the hard copies that are mailed as usual.

Remember, to qualify for the 2021 contest, your entry must have been published exclusively for your club newsletter or bulletin during 2020. If you have any questions, please do contact me. I look forward to receiving your entries. Please send in your submissions to the following address by the deadline:

2020 BULLETIN EDITOR'S CONTEST WINNERS

Mark Easterbrook, SFMS Bulletin Editor's Contest Chair

The following are the results of the 2020 SFMS Bulletin Editor's Contest as announced virtually at the 17 October SFMS Annual Meeting. I want to thank all of the entrants. There were fewer entries for 2020 than the year before in similar categories due mainly to the very early deadline for submittal. Please visit the SFMS website for more information: http://www.amfed.org/sfms/bulletin_contest.html. The following is a list of all of the winners in the 2020 contest. Honorable Mention winners are shown in no particular order. You are all winners. Congratulations and well done!

Tennessee State Report – for the 2020 Annual Meeting

Tennessee State Report 10-10-20

I talked to Bob and Rowan Morgan of the Kingsport Gems & Mineral Society and they said that they plan on resuming club meetings early next year. The club is planning its Summer Bays Mountain show and November 2021 show in Gray, TN. They lost long time member and past president, Rick Davidson, a couple of months back and our thoughts are with his wife.

The Knoxville Gem & Mineral Society cancelled their annual October show due to COVID-19. They have been holding meetings using online platforms. They voted to resume field trips, with social distancing, last month.

The Memphis Archaeological and Geological Society is holding their regular and junior meetings at Freeman Smith Park, to facilitate social distancing, instead of Shady Grove Presbyterian Church. They hope to resume regular meetings soon. Mike Baldwin said that they have extended the tenure of their current officers until 2021 and they are not going to charge member's dues for next year. They are going on a field trip to Dale Hollow Lake. By the time I wrote this report W. C. had not gotten back with me about the status of the club's show in April.

I talked to Steve Henegar with the Mid-Tennessee Gem & Mineral Society and they had to cancel their December show because the Agricultural Center is being used for COVID-19 testing. They also considered electronic meetings but the idea has not been popular. The Middle Tennessee Rockhounds had to cancel their Spring Dig-It event and they are looking for a new location to hold the event next year. The club held elections and Wayne Ramsey was elected as the new President. The club is holding regular meetings and the members that need to socially distance are keeping up with each other on Zoom. The club went on a field trip to Coon Creek and they plan a trip to the Ben E. Clement Mineral Museum in Kentucky.

I emailed the President of the Tennessee Valley Rock & Mineral Society but at the time of this report I have not received a reply.

SFMS Mayo Report – for the 2020 Annual Meeting

2021 Mayo Foundation Report

The Mayo Foundation is pleased to report that we distributed \$6550 in scholarships to nine deserving students from four Universities. We had ten qualified applications, but one student graduated early, before distribution, so her award was returned and will be applied to next year's awards.

The Mayo Foundation depends on donations from the Federation, clubs and individuals to fund the Endowment, and only the proceeds of investing the Endowment principal are used for student scholarship awards.

We encourage clubs to support the Endowment Fund in any way possible. Some clubs provide donations in memory of Club members who have passed. Perhaps a donation of the proceeds of a raffle or auction.

Your club can promote students from their local Universities to apply for these scholarship funds. Visit or call the Geology Department of your local University to inform them of this option for their students.

SFMS Editor Report – for the 2020 Annual Meeting

Our monthly newsletter is published (approximately) the first day of the month.

We are looking forward to providing the readers with the SFMS news and updates. We look to you for submissions of relative information to share with all.

Please submit all entries timely, to ensure your submission is included in the monthly edition. If the submission is received after the due date, your information will be published in the following scheduled edition.

For your club show listing in the SFMS Lodestar, we need a request from your local club, with the dates and relative information each year. This is not a change, just continuing - as dates always change, and you may have other updates.

Are you receiving the SFMS Lodestar Newsletter?

We need you to submit a request to subscribe to receive the newsletter, if you are not already receiving the monthly bulletin.

Enjoy the Day.

SFMS Publications Committee Report – for the 2020 Annual Meeting

SFMS Publications Committee - Quarterly Meeting Submission

For the Quarterly Report from the SFMS Publications committee:

The current project for the SFMS Publications committee is to remind and encourage all of you to communicate to our Clubs via our long standing SFMS Lodestar news Bulletin.

The Publications position is providing communication via the Lodestar Bulletin, the website, facebook, and email notifications... No actual paper documents are printed or distributed as we are in the electronic and virtual age now, and we can reach out to so many more on these platforms.

We are seeking submissions from you at the club level, and the SFMS level. We need submissions for the bulletin to inform our 74+ regional clubs.

The SFMS committees, BOD, and state representatives - are all encouraged to submit information to the Lodestar newsletter each and every month.

The information should be positive, and timely.

For instance, a State Representative may provide where they will be traveling in the next month, in particular which clubs they intend to visit. However this is not to provide reasons for not visiting, excuses, and

or other negative comments.

For committees, this would be advantageous to keep in regular communication with all. Providing updates, or sharing noteworthy information, new developments, and or or other interesting items.

Our lodestar bulletin is our monthly opportunity to communicate and provide any information from the SFMS regional level. By simply submitting and providing information to our Lodestar Bulletin, you will help to show value of the SFMS to all of the clubs within our region.

Therefore I call on all of you (SFMS Committees, BOD, and State Representatives) to provide a small or minimal input to make our Lodestar Bulletin a healthy newsworthy source to all of our clubs. Thank you.

The SFMS Lodestar email address is: SFMS.Lodestar@gmail.com

Thank you for your time.

Respectfully submitted,
Lori Heinemann

Low Country Report – for the 2020 Annual Meeting

Status of the Lowcountry Gem and Mineral Society.

The pandemic hit us hard, the same as it did everyone. Our meeting space was part of the City of North Charleston. As a government building, we were unable to meet there until September. During the pandemic, the City of North Charleston changed the usage of the building. We could still meet there but only from 6 PM to 7:30 PM. and the capacity was limited to 10. We held our September meeting there but the limit of 10 was not in danger. We do have a new place to meet if we want it. It is not a central location and is somewhat difficult to get to, as it is downtown Charleston. We are holding our October meeting there to see how it will work out. We are continuing to explore our options for another location.

We have a slate of officers, for next year, that contains a mixture of new and old members. We will have a different President and Vice President, with the remaining officers returning. Hopefully, this will allow us to continue gaining new members, as we had added quite a few new members prior to the pandemic shutdown. This increase was a direct result of the new increased social media presence of the Lowcountry Gem and Mineral Society.

DMC Field Trip Report

Field Trip Information

Dixie Mineral Council (DMC) will share more after their field trip.

DMC field trips are open only to members of clubs that are members of the SFMS DMC field trip sharing program. SFMS club members are bound by the AFMS code of ethics, but the general public is not, and could jeopardize access to a collecting location. So unless the property owner has invited non-SFMS attendees, the general public is not allowed on DMC field trips.

[Clubs that are interested in the SFMS DMC field trip sharing program can learn more about the program and download a membership application form from the DMC pages on the SFMS website:

Rockhound Roundup Application
March 12 - 14, 2021
Suwannee River Music Park, Live Oak, FL

This is the second of many Rockhound Roundups sponsored by the SFMS. Each SFMS member who applies for and is accepted, will be allotted a 10' x 20' space in an open field designated for this event. Cost this year is a minimal \$25.00 per space, one space per Vendor, for one to all three days. No tents, tables or chairs are available, you MUST BRING YOUR OWN! This is intended to be an old-fashioned rock swap and sale - bring your pickup, drop the tailgate and have fun.

1. Provide a marked 10' x 20' space and vehicle access to the space.
2. Provide access to trash receptacles
3. Provide access to toilet facilities

Applicant/Vendor Responsibilities

1. Set-up within boundaries of provided space. Any changes to the designated space are only allowed at the discretion of the Roundup Committee.
2. Police assigned site for trash during and after event.
3. You are responsible for your own security. You may set-up and tear down each day.
4. Provide all equipment, tents, tables and chairs for your own set-up.

We ask that you please be understanding that as this is only our second time hosting this event. We will try to anticipate all reasonable needs. Our goal is to provide a smooth event, but there will likely be hiccups along the way. All of us are volunteers trying to make this an enjoyable event for all. We welcome your suggestions and ideas for improvement. You may email questions to jheerx5@aol.com.

SFMS Benefits of Belonging

The Benefits of Belonging to the SFMS started at the Cracker Barrel session of the 2018 Annual Meeting. The efforts of the 10 points were further discussed at the 1st quarterly meeting of 2019, then a presentation was provided at the 2nd quarterly meeting. A new presentation was provided at the recent 2019 Annual Meeting, where some changes were made to consolidate, and narrow the points down to 9, instead of 10 points. Going forward updates provided will be entitled SFMS Benefits of Belonging.

We are seeking to receive and provide more information, and have the individual clubs with strengths and expertise assisting other clubs.

Please review the Vice-President 's section for some information this month!

Together the SFMS and your clubs can work together to share and exchange information, as the changes unfold. Please see where you can help to expand on, and provide as much information on all of the benefits of belonging points.

For a listing of the original 10 points, which will soon be updated, please see the last page of this newsletter.

Look for updates and on the SFMS Benefits of Belonging points here in future newsletter editions.

2020-2021 Club and Show Insurance

Club Officers / Insurance Liaisons,

My name is David Liles. I am serving as the Southeast Federation of Mineral Societies (SFMS) Assistant Treasurer and am the Insurance Liaison for 2021. SFMS makes available liability insurance to SFMS member Clubs and Societies. Participation is optional. The insurance covers activities such as field trips and shows. As liaison I am responsible for organizing and coordinating the purchase of insurance by participating clubs with the Federation's insurance carrier. The insurance form for 2021 is on the SFMS Website, should your club opt in for insurance and want to get the application done now.

The deadline for completion of the forms and the remittance of payment is March 1, 2021. The address for remitting forms and payments is on the forms. If you are new or did not participate last year and would like coverage, please contact me. If you participated last year and are not participating this year please contact me as well.

Thank You,

David Liles

The policy of the Southeast Federation of Mineralogical Societies, Inc. is that neither the name nor the logo of the Federation may be used for commercial purposes. If any commercial ventures using the name or the logo of the Federation are found, Member Societies and their members are requested to advise Federation Officers.

SFMS—Your Regional Rockhound Connection

Over 70 Rockhound Clubs belong, in our SFMS region...

What are the benefits of your local club belonging to the Southeast Federation of Mineralogical Societies?

The SFMS is your link to resources and connections!

The association with SFMS spans:

- ◇ from your local club and area
- ◇ to the regional level
- ◇ and even expands nationally!

The Lodestar will be providing brief synopsis of what the SFMS offers (or will offer in the future) for each of the 10 points. Please review the President's Message and articles submitted for details.

This issue of the Lodestar is highlighting one (or more) of the below Benefits of Belonging to the SFMS.

10 point benefits of SFMS:

- I. Programs and Archives
- II. Mayo Educational Foundation
- III. Club Development
- IV. Interclub Connections
- V. Federation Sponsored Club Insurance
- VI. Field Trips
- VII. Youth Program and Support
- VIII. Lapidary Education
- IX. Competitive Cases and Judges
- X. National Affiliation

The 10 Points Benefits of Belonging is a live document (will ever change and improve) and of which - will call for action items and others to assist! Please consider helping to make a difference and volunteering...

SFMS—Benefits of Belonging

Future 10 Points Benefits of Belonging to the SFMS will be provided in the upcoming SFMS Lodestar newsletters.

SFMS—Your regional Rock Club Association.
