Life Gate is a non-profit after-care ministry for those going through a transitional period in their lives. We provide safe, comfortable, affordable Christian housing for men that are committed to staying clean and sober. Our residents agree to abide by all of **Life Gate Homes** rules and guidelines. We have zero tolerance for drugs, alcohol or bad attitudes. There is a 10:00p.m. curfew, random drug tests, chores and you must have a job.

There is a **\$100 entry fee that is nonrefundable and the program fees are \$100 per week**. We require attendance at **Celebrate Recovery meetings** and a **church service** of your choice once per week. We also have an **accountability meeting** weekly where we share our prayers, joys and concerns with other residents.

All applicants should return this application with a brief testimony (What brought you to where you are in life and what have you done to better your position.) and a current copy of your criminal records card (CRC). Your application will not be processed if all questions are not answered completely and requested documents enclosed.
