'Tis (Almost) The Season!

It is amazing to me how much the energy of the Valley changes once we turn the calendar to October. The seemingly endless days of triple digit 'warmth' fades to glorious Fall weather, The pace of life, and of course business, quickens palpably. Life seems to return quite suddenly...not to normal, perhaps, but rather at least heading towards the "New Normal". What Valley residents simply refer to as "Season" is on the horizon.

For the Chamber, Fall is a time of resuming our active schedule of events, with annual highlights like the "State of the City" address by Mayor DeRosa on October 13th. Note that this will be in lieu of our usual monthly Power Breakfast (which would normally would have taken place on October 7). This later date was needed to accomodate the Mayor's schedule. Forest Lawn has graciously agreed to sponsor this event.

We have also moved our typical monthly Mixer date from October 15th to the following week, on October 22nd. Don't miss this opportunity to experience our NEW Library if you haven't already.

In November, our Power Breakfast will have a day of the week change...Tuesday, November 3rd, featuring one of the true highlights of the year agenda wise...the annual Red Apple Awards. Be sure to attend and offer your congratulation and support to all our Cathedral City "Teacher of the Year" recipients from each of our elementary, middle and high schools.. Our newest Board member, Jenifer Daniels-Xanders will serve as Emcee. Co-presenting the awards will be Bruce Gillen from Altura Credit Union, our sponsor for the event. Jenifer, by the way, is now with Vitas Hospice Care, based locally in Cathedral City. She has also agreed to serve as the Chair of our Education Committee for this school year.

Also in the fourth quarter, we will begin planning for our annual "Orion Awards" gala...if interested in volunteering, we can always use your assistance in planning, as well as securing auction items. The date of the event is Friday, January 29th. It's not too soon to mark your calendar!

Film Festival Debut

"Wheels on Reels" Film Festival to Debut
October 23-24 2009
Mary Pickford Theatre

In 1919, Mary Pickford, Charlie Chaplin, D. W. Griffith, and Douglas Fairbanks formed the first independent film company. What might seem like a minor achievement by today's business standards, the creation of United Artists was a bold and risky move that paved the way for today's film makers. With the forming of United Artists, these early rebels of the silver screen, became the first in the industry to develop their own projects without studio intervention that until then, dictated salary restrictions and imposed creative control. This daring venture, initiated by some of Hollywood's biggest names, opened the door of opportunity for generations of film makers.

United Artists went on to produce such film classics as: The Great Escape, The Thomas Crown Affair, and the James Bond series of films, all of which are known for their spectacular action sequences featuring automobiles and motorcycles. In a salute to Mary Pickford and the 90-year anniversary of United Artists, Wheels on Reels is proud to present a new film festival featuring automobiles and motorcycles.

The Cathedral City Fire Department, in a nation-wide observance of Fire Prevention Week, Oct. 4-10, sponsored a poster coloring contest in September for all Cathedral City elementary and private students in grades 1-5.

The coloring sheet features "Sparky" and this year's Fire Prevention Week theme, "Stay Fire Smart! Don't Get Burned."

Contestants were judged on neatness, character and originality. Winners were presented to the City Council at its regularly scheduled meeting on Sept. 23rd. Each winner was presented with a gift bag from the Fire Department by Battalion Chief/Fire Marshal Robert Van Nortrick and Fire Chief Bill Soqui.
