All Other Testers	Passport with Picture
Testing Fees	Cash Only/EXACT CHANGE

PARENTS

While testing is an exciting time, it can be stressful for the student. This is healthy as it helps student learn to stay calm and focused under pressure. Students may test if they are **eligible** to do so, but passage is not guaranteed. Results are NOT provided the evening of test. Students who have successfully passed will be provided their rank once results have been determined which can take a weeks. Students are told NOT inquire about the results of their test, otherwise automatic fail - This is to teach them patience.

Parents are welcome watch testing.
Please do not hesitate to ask any questions or inquire if student is eligible to test.

Good Luck Karate Testers!
