 Durango Pregnancy Center  
Love. Learning. Inspiring and giving hope.

Our fundraiser this year is a "no-event" event. Use your imagination about how you can **DO YOUR OWN THING** while providing financial support to **Durango Pregnancy Center**. The FUNdraiser lasts for the month of October. It is an awesome opportunity to think, seriously, about what it means to be FOR life - whose life are you FOR?

Idea! Put a dollar in a jar for every day of October. Say, out loud, a life you are thankful FOR. At the end of the month you'll have a donation and we believe that your life will be changed for the good.

It is not the amount given that matters but that you got involved!

This sweet face is now nine years old. Over nine years ago his mama walked into Durango Pregnancy Center needing assistance. We learned a lot about each other and her resilience was humbling. Over the years we have kept in touch - her family is awesome! This month she did her "own thing" and donated to the center with the note *I only wish I could give as much love as Durango Pregnancy Center gave to me.* Love matters.

Those of us who get to work at Durango Pregnancy Center have the amazing opportunity to meet incredible people! Their stories are as different as the day and what we learn from them is never the same.

We want you to meet one of our recent clients as she talks about her life and how love matters. It will open a window into the work and ministry of this organization. God is moving.
