President's Message

By Steve Strauss

October....when ghouls and goblins and ghosts roam the streets of Fiesta Gardens.

First off, Happy Birthday to my beautiful wife, Allyson. If I've learned anything in 38+ years of marriage, it's that behind every great man there is an awesome woman making sure he *stays* great. I couldn't do this job without her.

This month I would like to make an extra special shout-out to our Social Director, Christina Saenz. Through COVID, Cabana construction, having a baby, and a major remodel on her home, Christina continues to bring us great events over and over. Movie nights, Pool Parties, Holiday events, etc., etc., etc. Thank you, Christina, for all you do for Fiesta Gardens. And thank you also to your husband Mariano for the work he does keeping our website up and running and making sure we're all informed.

The October meeting will be an exciting one. It will be our first FGHA Council Member Candidate Night. All three candidates for City Council representing District 3 will be present to introduce themselves, let us know their visions for San Mateo, and to answer your questions. In an effort to keep within a timeframe, please submit any questions you might have to civic@fiestagardenshoa.com. This is our chance to identify the BEST candidate for council who will be accountable to our district and the city of San Mateo.

Wishing our Jewish neighbors and friends a very happy and healthy New Year.

Please note that the OCTOBER MEETING has been re-scheduled to Wednesday, October 12.

"A good neighbor is a very desirable thing."
- Thomas Jefferson

FGHA BOARD MEETING – August 3, 2022

APPROVED Minutes, Respectfully Submitted, Pam Miller, Secretary

The FGHA Board Meeting was called to order at 7:04PM. Board Members in attendance were: Steve Strauss – President, Steve Stanovcak - Pool Director, Christina Saenz – Social Director, Vice President - Naresh Nayak, and Roland Bardony - Parks Director.

Guest Speaker

Our guest speaker, Rob Newsom, is running for City Council for District 3. Fiesta Gardens is in District 3. Mr. Newsom believes that District 3 is the “backbone” of the city and has lived in San Mateo since 1980. He currently lives in Sunnybrae on Delaware St. He is running on 4 platforms.

- Public Safety
- Open Spaces
- Affordable Housing
- Small Business

Some of his thoughts on all the building going on around us: if the State is going to put pressure on us to build more housing, then the State needs to step up and help with infrastructure, Police, and Fire. Mr. Newsom feels that there should be a parking spot for each bedroom in each apartment/condo. We don't have the infrastructure to support people not driving. It's hard to park in front of his own home and knows it's the same for many others. He also feels the transit corridor needs to be re-evaluated, how's it working so far. If you would like to learn more about Rob Newsom and his campaign you can go to his website: robforsanmateo.com or robertnewsomjr.com.

*MINUTES from page 3***President/Steve Strauss**

We will be including an agenda in the Bee each month. Submissions need to be in by the 15th of each month. If you would like to include your name to the list of people opposing opening the entrance from Saratoga to Bermuda during the demolition and rebuilding of the bridge in Fiesta Gardens, please email Rich Neve at civics@fiestagardenshoa.com. There is a plan that would not need to open Bermuda from Saratoga during the bridge construction and if you feel so inclined, we need to support that option. The fear is that once it's open, they will leave it open

NEW BUSINESS**OLD BUSINESS****Cabana Renovation Update**

The installation of siding is going well. Drywall and insulation are done. The city has checked off electrical and heating. The projector, speaker and screen have been chosen. We are still working with PG&E to get power to our cabana, if anyone works or knows someone at PG&E, please contact the cabana committee. It has been decided to not include the dishwasher that was in the plans and instead install an ice machine. The committee will look into prices and what we may need to add to accommodate an ice machine.

Bricks Fundraiser

Don't forget our brick fundraiser! Check out our website for more information. You can see a sample brick at the pool when you look through the viewing window. So far, we have sold 100 bricks.

HAPPY HALLOWEEN!

The interest rates continue to be volatile which is scaring some buyers. However, other buyers see this market as the opportunity they have been waiting for with less competition, more buyer favorable terms in the contract and competitive pricing. The summer months of June & July cooled off, however, in August we saw an increase in traffic again at open houses. Stay tuned for how the rest of the year plays out!
