BarRags is discontinuing some designs to make room for new designs for 2017.

The designs shown above have been reduced to \$5 a shirt. No matter what size, S-XXXXL.

As usual, that price includes your logo on the front. There is still a minimum of 12 shirts which can be mixed between any combination of our 40 stock designs.

Act quickly, these shirts are on a first paid - first sold basis.
