*Note: For tuition purposes only, families with children in both the School and ELC, the ELC child is considered the 1<sup>st</sup> child in a family plan.*

\*\* The school year program operates for nine months. The summer program begins in June and ends the last week of July (8 weeks). The summer program is offered only to the 2, 3 and 4-year-olds.

Monthly tuition pays for salaries, employee benefits, insurance, electricity, water, telephone, gas, maintenance, capital improvement and the daily expenses that must be made to keep our Early Learning Center operating.

**Comprehensive Fees:**

In addition to the tuition rates, there are comprehensive fees for each age level. The comprehensive fee pays for curriculum materials, diocesan fees, yearbook, excursions and additional expenses not covered by tuition. An estimated breakdown of the fees is included with this packet. Fees may change slightly due to vendor adjustments. The Kindergarten comprehensive fee for the 2018-2019 year is \$415.00. The comprehensive fee for the 2 year old program is \$175.00, the 3-year-old program is \$253.00, the 4-year-old program is \$303.00. **The comprehensive fees are due during Registration Week, July 16-20, 2018 and paid using FACTS Management Company.**

Registration packets are distributed during the first week of June. These packets are given only to children who have registered for the 2018-2019 school year with a *completed and paid* INTENT TO RETURN form.

**FACTS Management Company**

All Hawaii Catholic Schools are directed to use the FACTS Management Company for tuition collection. Therefore, all financial transactions for the School, Early Learning Center and Extended Day programs **must be** handled through FACTS. This includes deposits, comprehensive fee, and tuition. All returning families already registered with FACTS must re-register for the 2018-2019 school year. It is important that you sign up with FACTS in order to pay your deposit, your comprehensive fee and your tuition payments. An Invoice option is available which enables parents to make payments from their own bank accounts. The due dates and criteria for paying your statement remains the same.
